Considering colored egg is an indispensable part of Easter, we developed two collections in large and small size, each collection features three eye-catching colors: red, blue and green. The material used for the colored eggs is totally eco-friendly, recyclable and degradable.

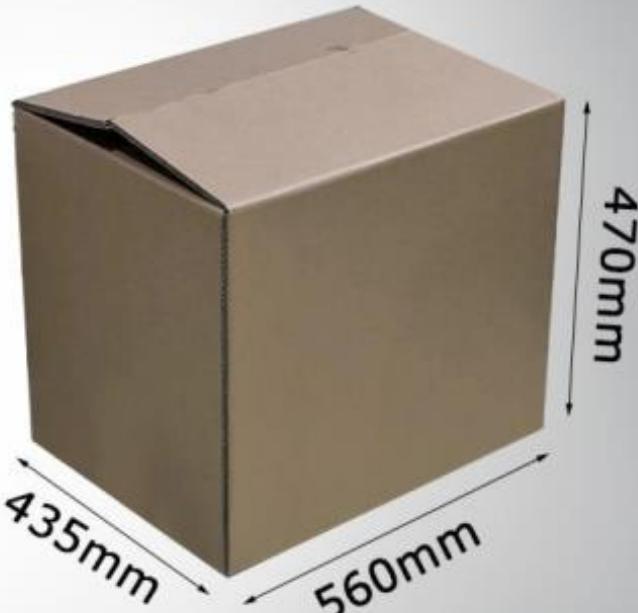

Each egg in this set boasts a generous size, allowing them to stand out as focal points in Easter display. Whether you choose to hang them from branches, place them in a decorative basket, or scatter them around your home, these vibrant eggs are sure to create a festive atmosphere.
