A

bout Us

REFLYING AUDIO TECH LIMITED, manufacturer of audio products, specializing in DAB/DAB+ radios, internet Radios and Alarm Clock Radios. Over the past ten years we have developed and produced thousands of products for famous brands and built a strong reputation for excellent quality, superior service and in depth understanding of how to meet the needs of OEM customers.

The company has a large scale industrial park in FUYONG Shenzhen which covers a total area of 10,000m². We have our own R&D center and many automatic production lines, as well as a highly skilled workforce of over 200. We are proud of our quality management systems and hold ISO9001 certifications as well as being an approved MFI. The factory is well Qualified by BSCI, SEDEX, Wal-Mart and SA8000.

We have recently added our own highly experienced industrial design team, which combined with our deep experience in acoustic development, strong project management, and strategic relationships with technology solutions houses.
