

深圳市嘉诚电气有限公司

Shenzhen Jia Cheng Electric Co., Ltd.

## 嘉诚简介

**Presentation of Jiacheng Group**

© 2014-2021 Shenzhen Jiacheng Group All right reserved

# About US

Shenzhen Jiacheng Group was founded in 2005,our manufacture facilities are ISO9001:2015 , ISO13485:2016,IATF16949:2016 certified and UL approved.

Equipped with precision sheet metal fabrication,CNC machining,PCBA(SMT&DIP),Wire Harness ,and assembly production lines,we are professional manufacturer who are focusing on high quality precision sheet metal fabrication, PCBA&EMS,Cable and wire harness and mechanical components, and assembling services.

With vertical integrated batch production capability, low-cost structure, outstanding project operation and customer collaboration ability,we are good at giving quick response to customer's requirement for customized project and providing one stop Turnkey Contract Manufacturing solution in house.

Our product and solution are widely used in self service terminals& smart device,industry and automation, medical device, new energy,electron and communication systems.

# Our Advantages

- ✘ An excellent team with the first-class innovation ability , insist on quality first, lean manufacturing, professional and technical communication.
- ✘ Specialize in precision Sheet Metal Fabrication,CNC Machining,PCBA,Wire Harness.
- ✘ Specialize in assembly of machine & automation unit, electronic device ,electrical unit and sheet metal unit. Testing and certification services can also be offered (CE,UL,IP65,Atex,FDA,Rohs,etc).
- ✘ Supported by Kindee ERP system,we have efficient production & inventory management,and reliable delivery time.
- ✘ Adhere to quick response and quick action to customers, we are close to customers and understand customers' demand, we can offer customer high quality products and good after-sales services.
- ✘ Robust ISO quality system and reliable quality control team to guarantee our quality is consistent and persistent.
- ✘ Orders of small quantity,multi-species and high quality requirements are also welcomed.
- ✘ One stop turnkey solution for OEM customers, incorporate prototyping and tooling,production,assembling work, quality control,certification,customer location's Kanban storage and logistics service.

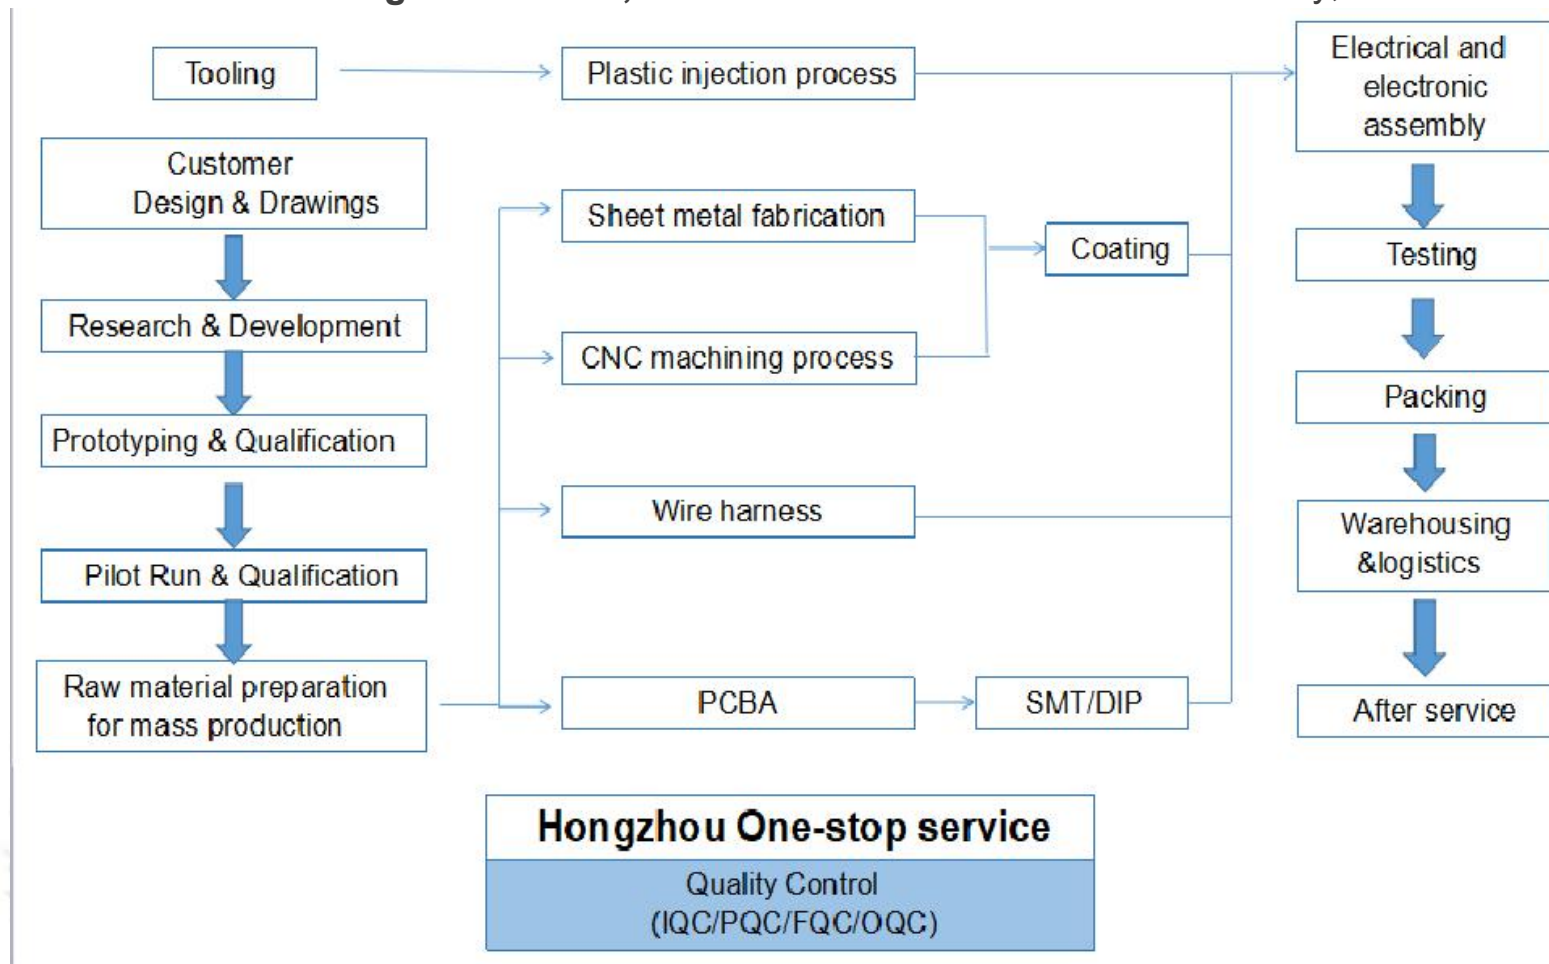

# One Stop Turnkey Contract Manufacturing Solution

Our 3 factories, the manufacture facility and manufacture capability is belows:

a. Shenzhen Hongzhou Smart Technology Co.,Ltd---6800m<sup>2</sup>mechanical manufacturing factory;

b.Shenzhen Grandtop Electronics Co., Ltd---6000m<sup>2</sup> PCBA&EMS (SMT&DIP process) factory;

c. Shenzhen Jiacheng Electric Co., Ltd---2200m<sup>2</sup> cable & wire harness factory;

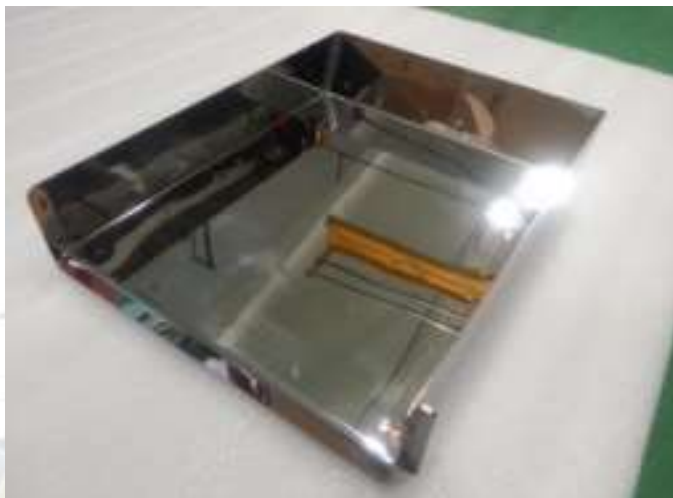

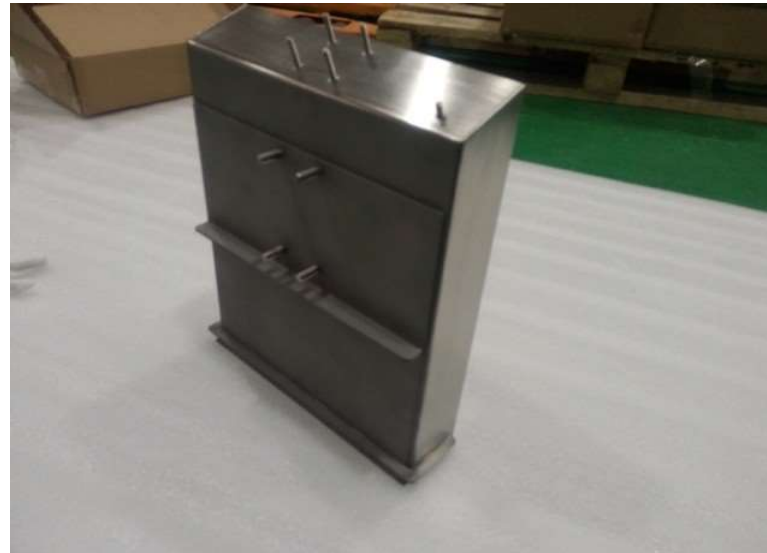

# Mechanical Fabrication Shop-Hongzhou Smart

Shenzhen Hongzhou Smart Technology Co.,Ltd,we are ISO9001:2015 certified mechanical production factory, focus on precision sheet metal fabrication,CNC machining,mechanical assembly unit and kiosk hardware turnkey solution.

# Sheet Metal Fabrication

SUS304 sheet metal fabrication with perfect brushing/mirror polish

# Sheet Metal

SUS304 Tray & SUS316 electrical cabinet

# Sheet Metal Fabrication

## Sheet Metal Fabrication-AL/CRS Parts

**Material:** Stainless steel, cold rolled plate, Galvanized Plate etc.

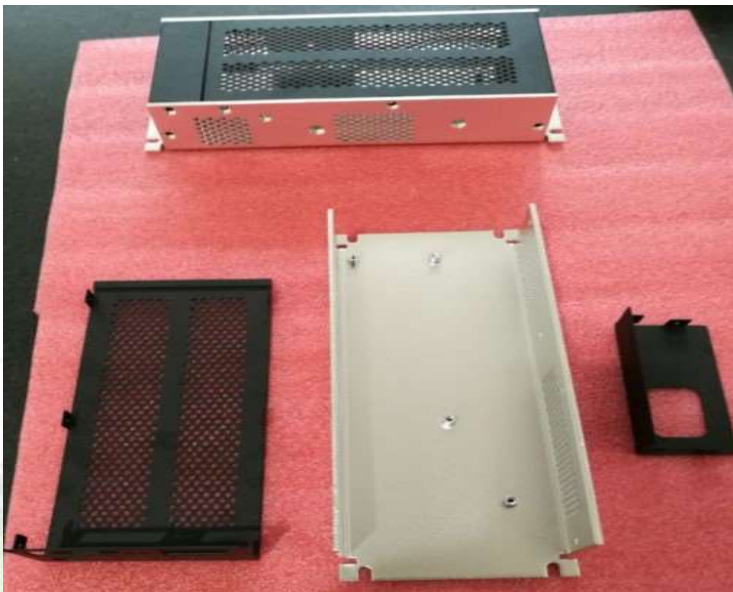

**Process:** Shearing/Laser cutting , Bending, Welding, Riveting, etc.

**Finish:** Buffing Electroplate, Powdering, etc.

# Sheet Metal

Sheet metal bracket

# Sheet Metal Fabrication

Sheet Metal cabinet/Chassis

# CNC Machining

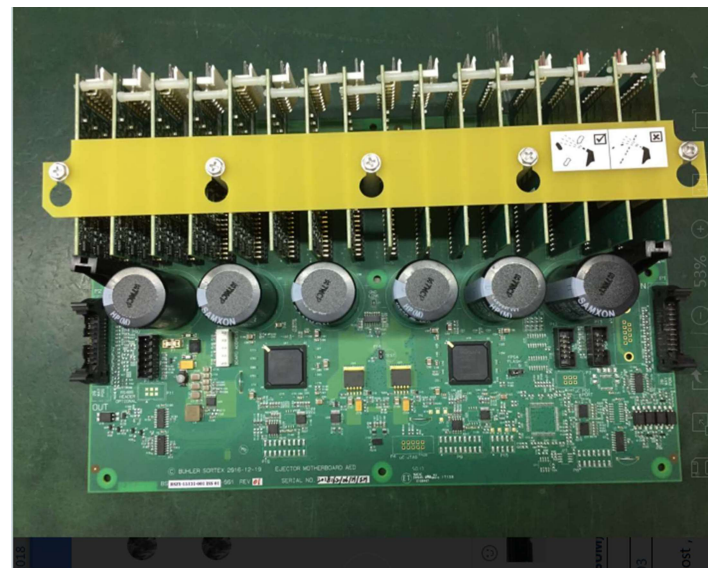

# PCBA & EMS Shop-Grandtop Electronics

Shenzhen Grandtop Electronics Co.,Ltd,we are ISO9001,ISO13485,IATF16949 certified PCBA factory,foucus on high quality PCB Assembly (SMT, DIP, MI, AI) and electronic product final assembly in the top market.

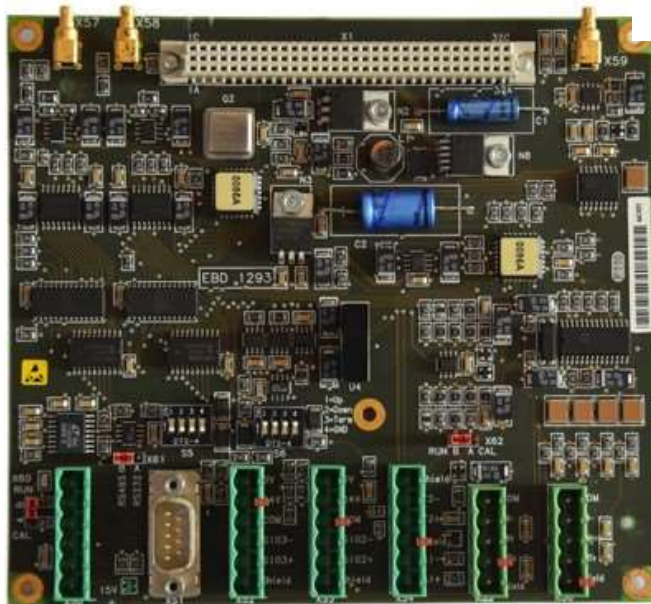

# PCB Assembly

PCBA&ECM

# PCB Assembly

PCBA&ECM

# Cable Assembly Shop-Jiacheng Electric

Shenzhen Jiacheng Electric Co.,Ltd,we are ISO9001 and IATF16949 certified and UL approved cable factory,focusus on high quality Wire harness and Cable assembly.

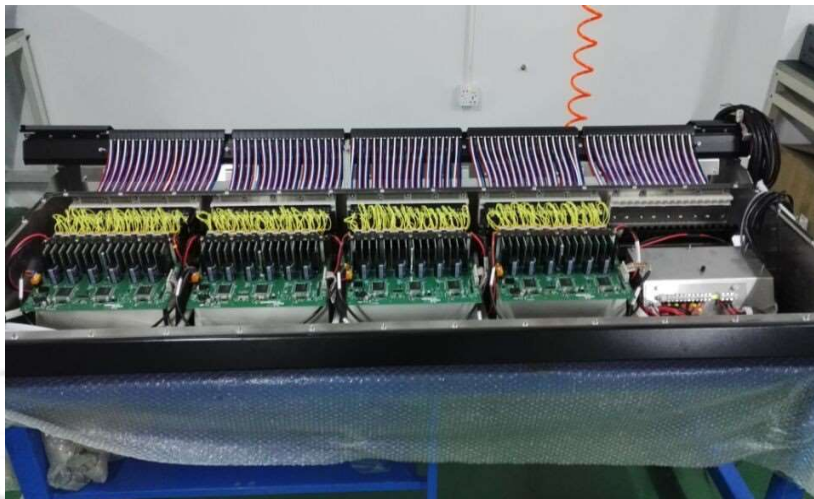

# Cable Assembly

## Wire Harness/ Cable Assembly

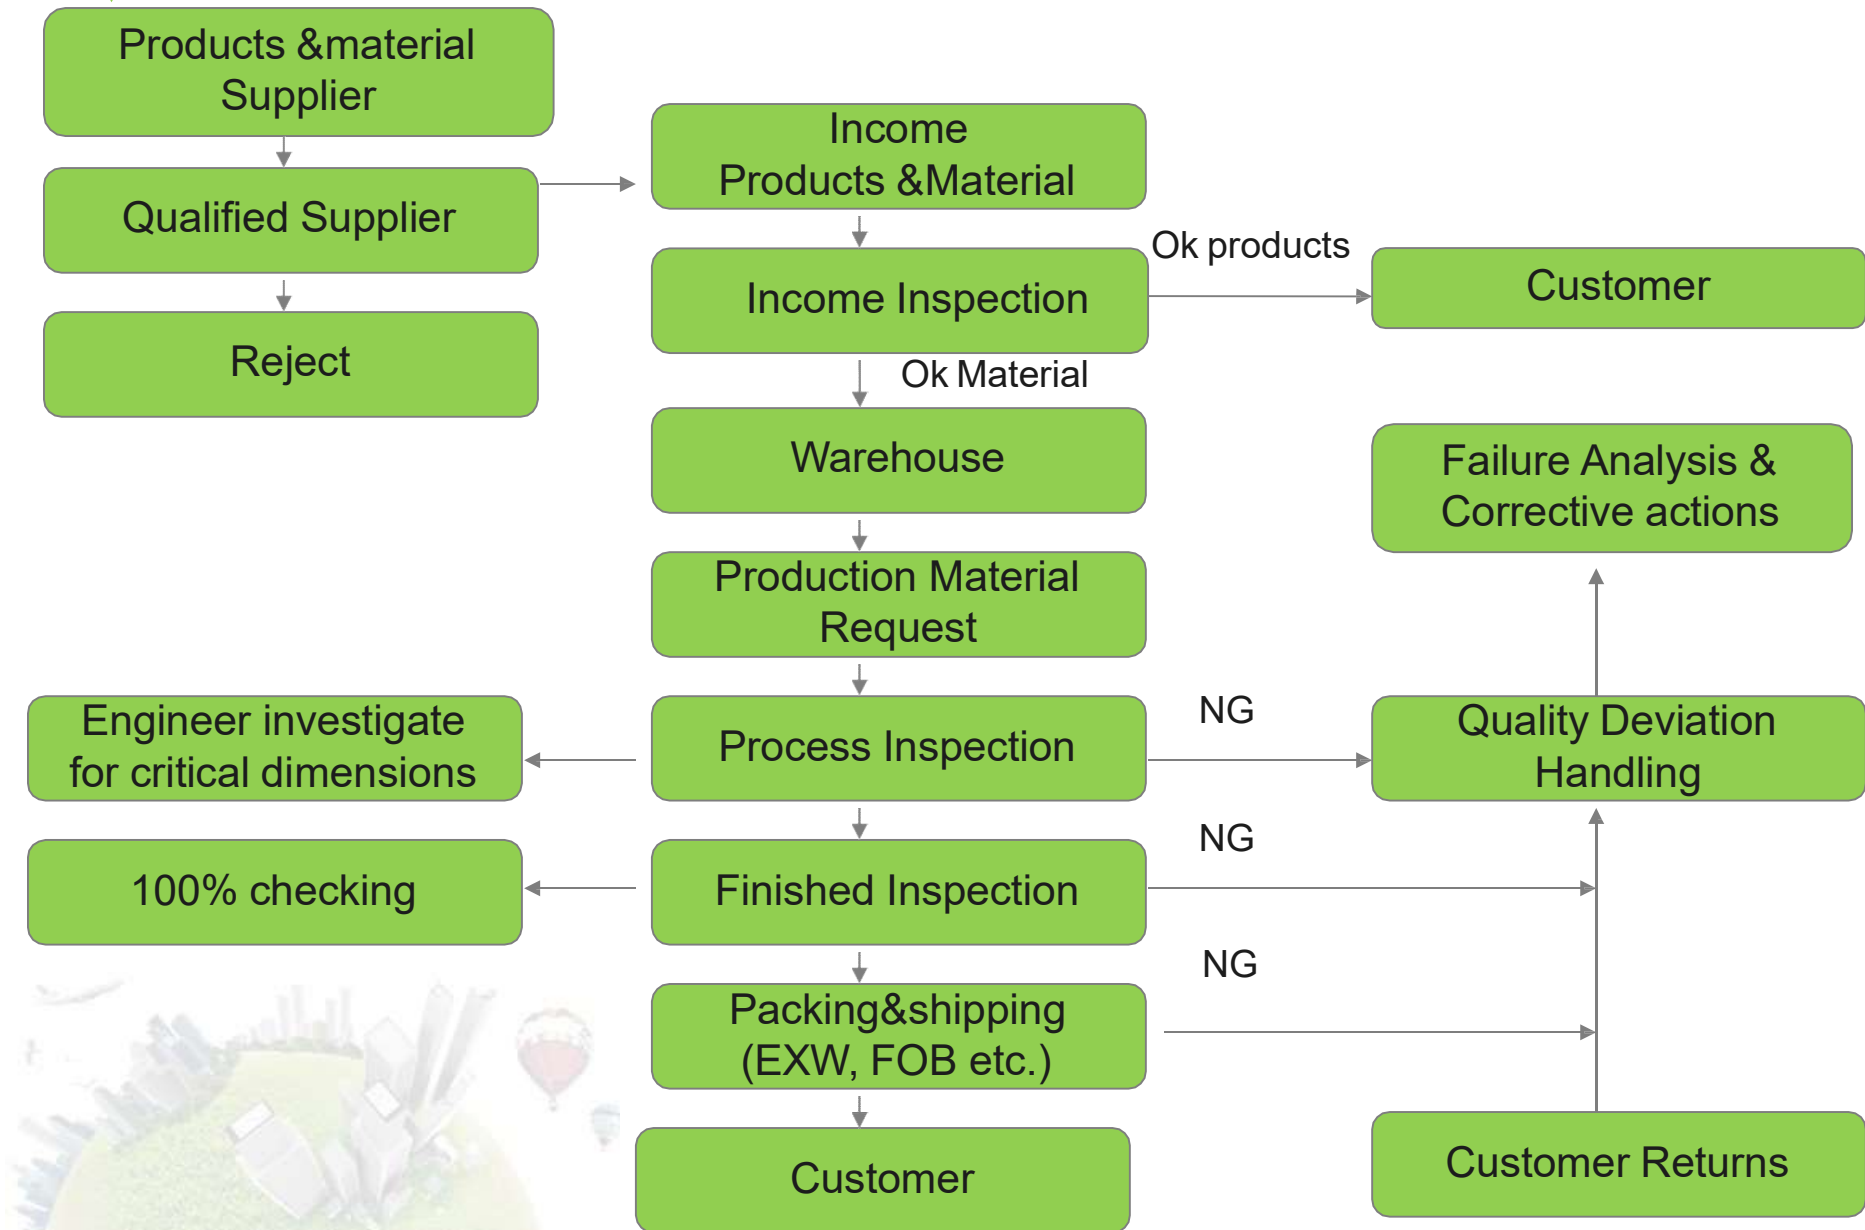

# Assembly Unit-Hongzhou Smart

## Electrical & Electronic Assembly Unit

# Our Quality Control

Thank you!

Our success can not be without your support, so we really appreciate every customer, new or loyal old! We will continue to provide our best service and try our best to achieve the excellent quality.
