MAGICASE MFG CO LTD is established in 1998.We have 4 branches of factories, and more than 40 streamlines. The headquarter of the company is located in Nanjing, Jiangsu Province.The whole company's remaining acreage is more than 100,000 square meters and our skilled and trained workers are following strict quality control system(QA, IPQC, QC),in incoming materials inspection, producing, packing and delivery.

MAGICASE has many series of products, such as computer backpacks, computer bags, trolley bags, soft side luggage, hard side luggage and pet mat. From choosing fabrics to packaging materials, we try to find as ecological and high-quality materials as we can. All of our products are designed to be waterproof, we are also able to use RPET fabric which is very durable, highquality and repels dirt. You can customize the logo, material and color of bags and cases.
