About Us 关于我们

公司创建于 2007 年，专注于显示器支架领域，经过 6 年研发和 1 年内部测试，拥有全球领先的弹簧双 LL 悬停技术。

目前我们的产品有办公，智慧病房，ICU 探视，ICU 大承重显示器支架。服务于国内众多医疗和办公企业，我们秉承着高寿命，高体验感，为客户提供长达十年的质保。未来我将一直坚持以客户为中心，肩负时代使命，为医疗和办公事业做出更大的贡献，一往无前。

The company was founded in 2007, focusing on the field of display brackets. After 6 years of research and development and 1 year of internal testing, it has the world's leading spring "double LL" hovering technology.

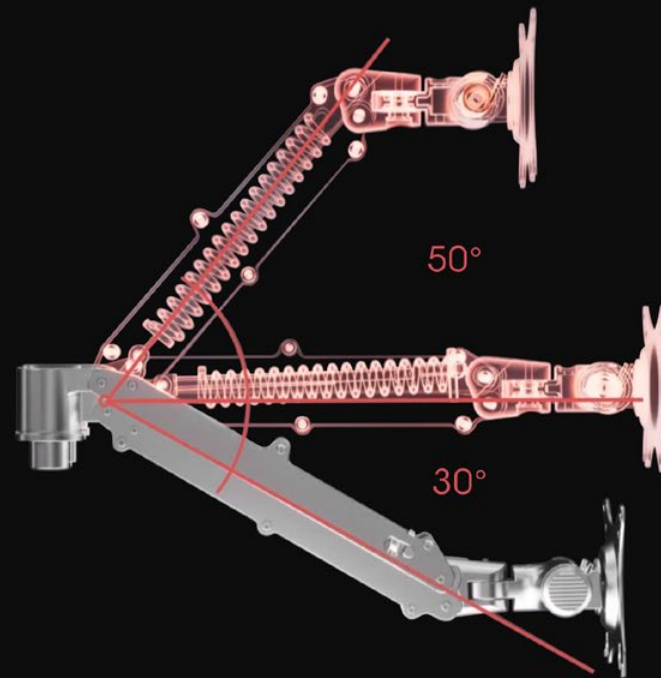

At present, our products include office, smart ward, ICU visitation, and ICU heavy-duty display bracket. We serve numerous medical and office enterprises in China, adhering to the principles of high lifespan and high experience, and providing customers with a ten-year warranty. In the future, I will always adhere to customer-centric approach, shoulder the mission of the times, and make greater contributions to the medical and office industries, moving forward without hesitation.
