About Us

Shantou Mingtu Hardware Co., Ltd. was established in 2016. It is a comprehensive production enterprise integrating design and development, manufacturing, processing and customization, sales and service. We have many years of professional experience in the precision repair tool industry. Our main products include screwdrivers, screwdriver sets, electric screwdriver sets, and digital product repair accessories. Our factory has BSCI and ISO9001 and other certifications and our products have passed CE, FCC, PSE and other certifications, and have a number of appearance, utility model and invention patents.

All the employees of our Mingtu have been aiming at continuously improving their self-quality at work and providing customers with better services. Keep in mind integrity, and develop together with customers!
