

东莞市美捷金属制品有限公司

DONGGUAN MEI JIE METAL PARTS LTD

美捷金属电器股份(香港)有限公司

BEAUTIFUL NIMBLE METAL ELECTRICAL (HK) LIMITED

Development History

2005.05

Established Dongguan Mei Jin Hardware Mould Factory in Qingxi, Dongguan, and set up a liaison office in Nagano, Japan to undertake mold design and manufacturing services.

2006.04

Set up a stamping division to undertake metal stamping services.

2009.11

Renamed to Dongguan Mei Jie Metal Parts Ltd and set up an electronics division in Sanxing Area, Qingxi Town, Dongguan City to undertake various pins and terminals etc electronic components.

2010.08

Established Beautiful Nimble Metal Electrical (HK) Limited in Hong Kong and set up International Business Department.

2011.05

Established NCT, Laser and Sheet Metal business units in Tuqiao Management District, Qingxi Town, Dongguan City, and undertook power supply casings, communication chassis and cabinets etc sheet metal products process services.

2012.05

Established CNC processing division, undertook various copper & aluminum radiators ect products processing services, and passed ISO9001:2008 Quality Management System Certificate.

2016.10

Mold and Stamping Divisions moved to Dali Management District, Qingxi Town, Dongguan City.

2017.11

Passed IAFT16949:2016 and ISO14001:2015 Quality Management System Certificates.

Company Overview

Dongguan Mei Jie Metal Parts Ltd was founded in 2005, covers an area of 15000m². Our company owns advanced equipment and has 350 employees & 60 professional engineering technicians currently. Specialized in the manufacture of various types of metal stamping parts, CNC machining, NCT laser processing, automatic lathe parts. Our products are widely used in power supply products, electronic and electrical products, automotive industry, medical facilities, sensors etc.

Our Company passed the ISO9001, ISO14001 and IATF16949 Quality Management System Certificates. We consistently persist in survival with quality, competition with cost, development with credit, benefit with management, keep improving products quality and services to meet customers' demands. Constantly complete the company systems, and strive to provide first-class products and services to our clients.

General Manager's Speech

Dongguan Mei Jie Metal Parts Ltd was founded in 2005 by myself and Mr Sato (partner) , specializing in the design and manufacture of various metal products, located in Qixi Town, Dongguan City. Qingxi is famous for IT industry and Dongguan is known as the World Factory.

With the changes of the times, and based on many years of technology accumulation, design ideas and the management improving, our company has developed into a comprehensive enterprise of all kinds of metal parts production and processing services. We make customers satisfied with valuable products.

In future, the developing of Mei Jie will focus on higher goals to satisfy customers' needs & society's requirements.

New & old customers are welcome to visit our factory.

General Manager: Benny Zhu

Corporate Missions

Return the nation with industry
Create value
Serve the society
Contribute to humanity

Operation Philosophy

People oriented
Win with honesty
Win-win cooperation
Create a better future

Service Purposes

Reputation first
User first
Quality satisfaction
Delivery on time

Organizational Structure

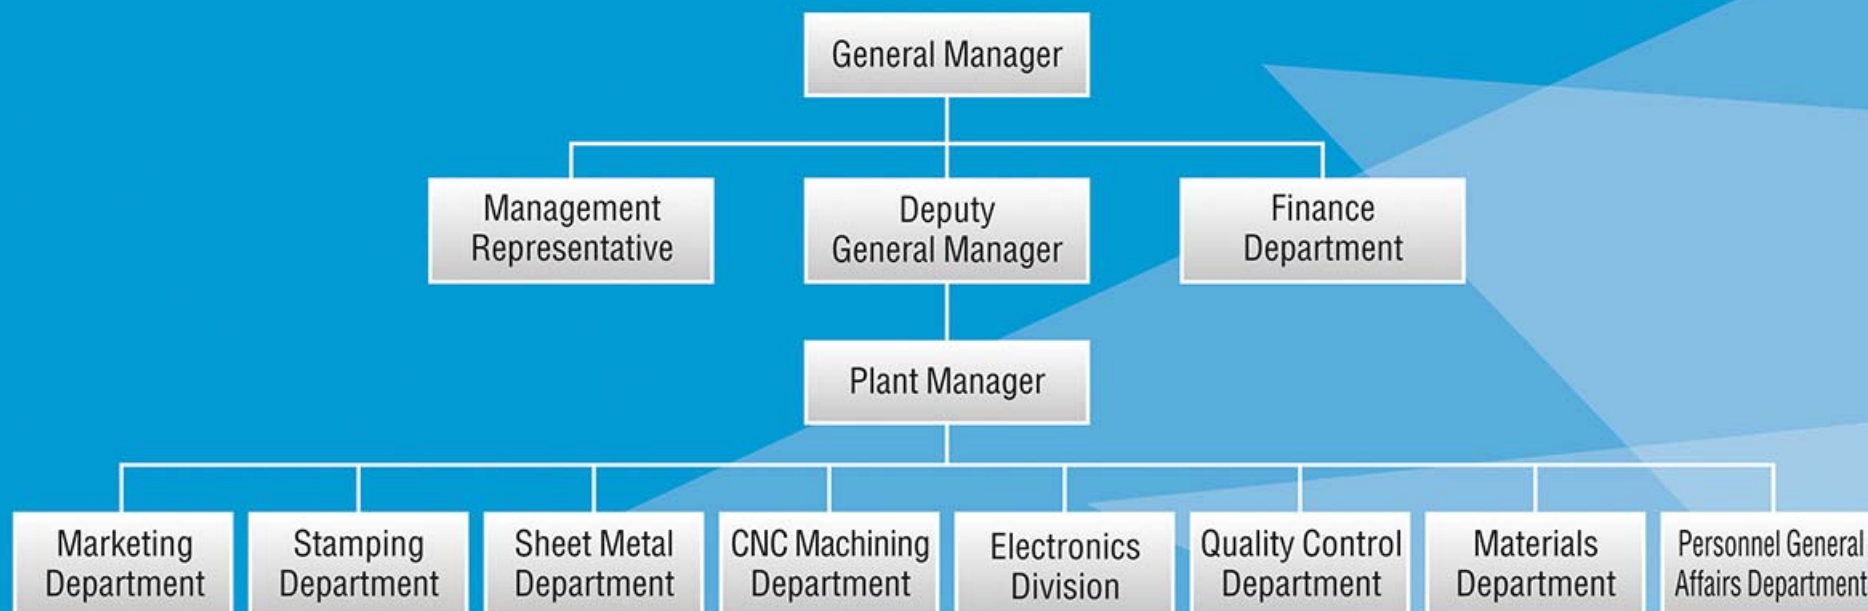

Deputy General Manager: Sato Yang (Japanese)
Business and quality management

General Manager: Benny Zhu
Company development and planning

Plant Manager: Dick Liang
Technology and production management

Company Performances

Equipment List

Type	Equipment Name	Brand	Amount
Stamping Processing Equipment	200T Biaxial Pneumatic Punching Machine	World Group	3
	200T Uniaxial Pneumatic Punching Machine		1
	160T Uniaxial Pneumatic Punching Machine		4
	110T Uniaxial Pneumatic Punching Machine		4
	80T Uniaxial Pneumatic Punching Machine		10
	45T Uniaxial Pneumatic Punching Machine		2
	25T Uniaxial Pneumatic Punching Machine		3
CNC Processing Equipment	CNC Lathe Machine	Shengsite	14
	CNC Turning and Milling Machine		1
	CNC Core Machine	TSUGAMI	2
	CNC Machining Center	MAKINO	8
	Automatic Lathe	Taiwan	16
Sheet Metal Processing Equipment	3000W Laser Machine	TRUMPF	1
	NCT CNC Punch	TRUMPF	2
	CNC Bending Machine	AMADA	5
Measuring Equipment	3D Coordinate Measuring Machine	Zeiss	2
	2010 2D Coordinate Measuring Machine	KATO	2
	Projector	Yuanxin	1
	Rockwell Hardness	Laizhou	1
	Tool Microscope	Shunyu	1
	Tensiometer	Domestic	1
	Torsiometer	Domestic	1
	Coating Thickness Tester	KETT	1
	Salt Spray Test Machine	Jiateng	1
