ABOUT US

Fujian U Know Supply Management Co., Ltd was founded in the year of 2001 and lies in Quanzhou, Fujian. We are a company with great passion providing refined products, competitive price, creative styling and enhanced services that can fully satisfy customers world widely. OEM/ODM are also acceptable for us.

We manufactures a wide range of toys, office stationeries, electrical products, promotional gifts, kitchen electrical appliances, footwear, party favors, umbrella, bags, auto accessories, bracelets, baby products, hats and etc.

We always pay attention to control the quality from the first step when we develop a new product with customers, and the basic quality control procedures are as below. Conduct predictive problem assessment and potentially destructive product testing during sample development. PP meeting before mass production. IQC, IPQC, FQC helps to control the quality during each production procedure. In-house QA spot-checking report to customers after the goods are ready and in the English version. The 3rd party test according to customer's demands. We take "Quality is Life" as our production standard and purpose to develop and improve our products constantly.

Together with our quality service, we can help you dominate the market with your brand name. You can select our products or offer your own design idea. We welcome your samples or other requirements as our designers and pattern makers are ready for you anytime.

We welcome any product inquiries, price comparisons, or technical support inquiries.
