ERGONOMIC HOME & OFFICE SOLUTIONS

2025

**20 YEARS' MANUFACTURING
OEM & ODM**

[VIEW MORE+](#)

We have first-class machines, 10 sets of robot welding machines,
2 sets of laser cutting machine and many advanced press machines.

Company Profile

Our factory has more than 20 years experience in metal processing field, dedicated to provide better products with fair prices.

In 2020, we engaged an engineer team who have rich working experience for the leading companies, started working in this industry.

Since the first products launched, we have got many good comments from our clients. Our output keeps rising rapidly.

With several years development, now we have more than 50 workers.

To meet the rising needs of the markets, we add new machines every year, to improve the production capacity. Now we have 3 auto laser cutting machines, 4 auto welding machines, 15 punching machines and etc.
