

### **Over 20 Years of Industry Expertise**

Jin Xinfeng Enterprise, under the brand "Heyaoya", specializes in the manufacture of boxes. We professionally produce a series of box products, including gift boxes, card boxes, and airplane boxes, as well as their packaging bags and accompanying box-printed products. We provide scheme design and finished box production, featuring exquisite craftsmanship and standardized production. Our production base is located in Hui'an, China, covering an area of over 50,000 square meters. We have a daily output of more than 100,000 boxes, with over 20 years of experience in the professional field, serving more than 10,000 enterprises. We offer over 1,000 quality options, more than 100 optimized configuration schemes, over 100 functional combination schemes, 8+ printing color types, and more than 100 various process types.

### **Supported by Various Advanced Equipment**

Our enterprise is equipped with advanced main equipment, including 8 German Heidelberg printing machines, 5 German Roland printing machines, and 40 automatic gift box assembly lines. The main supporting equipment includes 5 die-cutting machines, 3 laminating machines, and 3 gold stamping machines. Other supporting equipment is very complete, enabling independent production.

### **Factory Certified by ISO 9001, FSC, and GRS**

We can provide relevant factory inspection qualifications, such as ISO 9001, FSC, and GRS certifications, as well as special inspection reports on relevant parameters, environmental protection, or European and American standards from professional testing institutions such as SGS, Intertek, TUV, and BV.
