公司简介 ABOUT US

Jinkaiyue is headquartered
in Fenggang, Dongguan.
Founded in 2011, which is
a 3C accessories company
integrating R&D, manufac-
turing, production and
service.

With 12 years of enterprise development, it has two major R&D and
production bases in Dongguan, Guangdong and Wuxuan, Guangxi. It has
a complete industrial independent production chain of product R&D,
design, production and manufacturing. It has strong market competi-
tiveness and can provide customers with one-stop solutions for various
3C accessories products for OEM/ODM customized development needs.

Our company has passed the ISO9001 quality management certification
and was certified as an Apple MFI authorized factory in 2020. As of 2023,
the products have obtained more than 100 patents and passed many
international authoritative certifications such as CE, FCC, UKCA, and
RoHS.
