PROFESSIONAL ETHERNET CABLE MANUFACTURER

Reliable Connection, Global Communication

ISO9001

ABOUT US

Guangdong Xunhua Cable Co., Ltd. is a professional manufacturer specializing in network cabling and connectivity products.

Our main products include LAN Cables, Patch Cords, RJ45 Modular Plugs, and related networking accessories.

With a strong focus on quality, reliability, and customer satisfaction, we are committed to providing stable products and professional services to customers worldwide.

We welcome global partners and look forward to building long-term and mutually beneficial business relationships.

Reliable Connection • Consistent Quality • Trusted Partnership

10,000m²+
Factory Area

200+
Employees

80+
Production Lines

60+
Countries & Regions

10+
Years of Experience

PRODUCTION WORKSHOP

OUTDOOR LAN CABLE

High Performance for Reliable Network Connections

UV Resistant
Durable jacket for outdoor use

Weatherproof
Operates in extreme temperatures

High Performance
Stable transmission and low attenuation

Flame Retardant
Safe and compliant materials

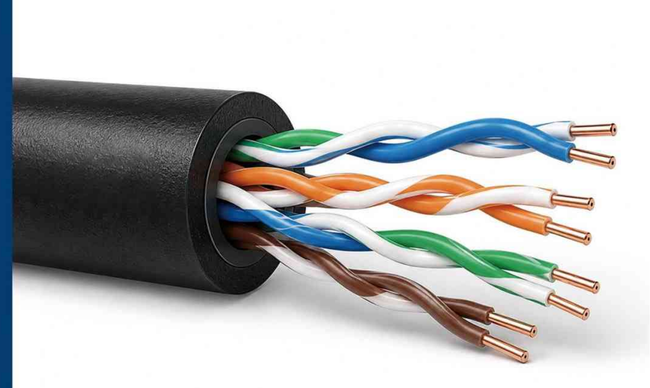

RoHS Compliant
Environmentally friendly

CAT5E

OUTDOOR LAN CABLE

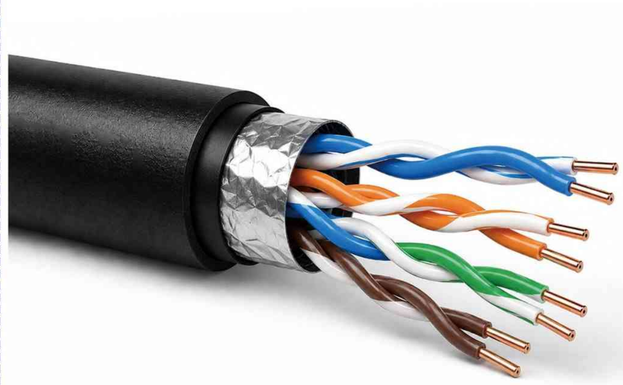

100MHz Bandwidth
Fast Ethernet
& Gigabit Ethernet

UTP (Unshielded)

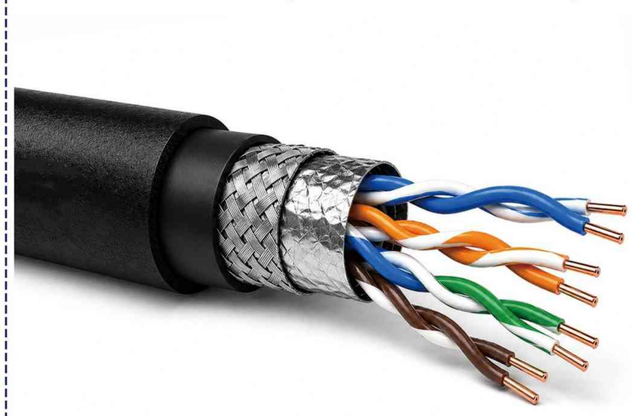

Cost-effective solution for standard network applications.

FTP (Foil Twisted Pair)

Aluminum foil shield reduces electromagnetic interference.

SFTP (Screened FTP)

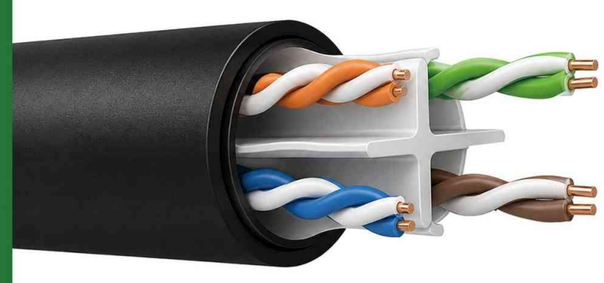

Braid + foil shielding for maximum protection against interference.

CAT6

OUTDOOR LAN CABLE

250MHz Bandwidth
Gigabit Ethernet
& 10GEthernet
(upto 55m)

UTP (Unshielded)

Reliable performance for gigabit network environments.

FTP (Foil Twisted Pair)

Foil shield enhances performance by reducing external noise.

SFTP (Screened FTP)

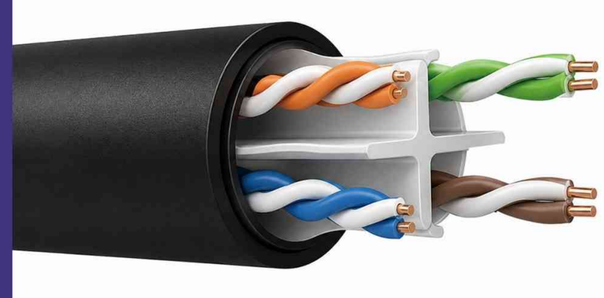

Superior protection for demanding network installations.

CAT6A

OUTDOOR LAN CABLE

500MHz Bandwidth
10G Ethernet& Future
ProofPerformance

UTP (Unshielded)

High bandwidth for 10G applications with excellent reliability.

FTP (Foil Twisted Pair)

Improved signal integrity with foil shielding.

SFTP (Screened FTP)

Maximum interference protection for high-speed networks.

APPLICATIONS

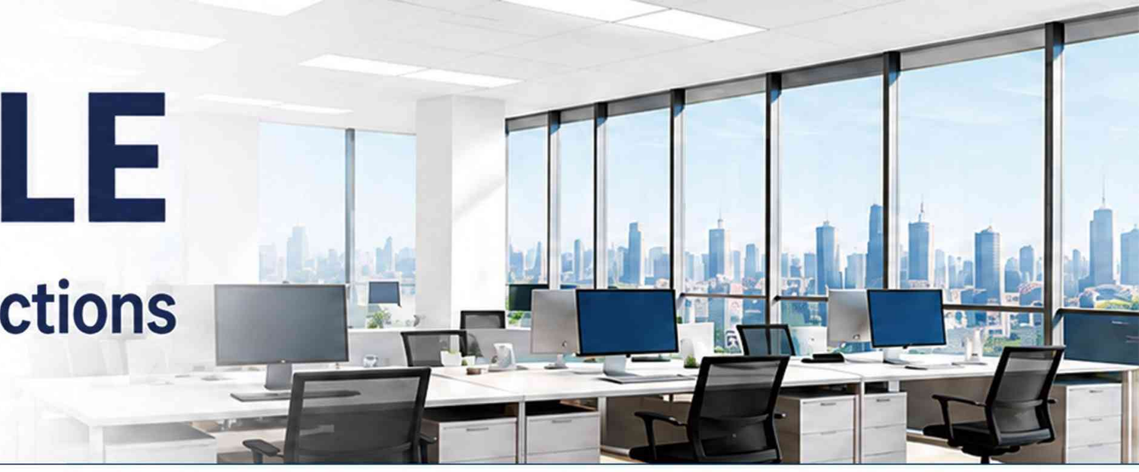

Campus Networks
IP Video Surveillance
Wireless Backhaul
Data Center Connections
Industrial Applications

SPECIFICATIONS

Conductor	:	100% Bare Copper
Insulation	:	HDPE
Jacket	:	PE (UV Resistant, Weatherproof)
Operating Temperature	:	-40°C to +75°C
Installation Temperature	:	-20°C to +60°C
Standards	:	ISO/IEC 11801, ANSI/TIA-568.2-D, RoHS

INDOOR LAN CABLE

High Performance for Reliable Network Connections

High Performance
Stable transmission and low attenuation

Reliable Connection
Ensures fast and secure data transfer

Flexible Installation
Easy to install and manage

Flame Retardant
Safe and compliant materials

RoHS Compliant
Environmentally friendly

NETWORK CABLE SOLUTIONS

CONNECTING THE WORLD

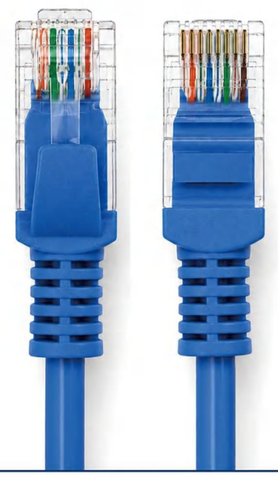

SUPPORT CUSTOMIZED LENGTH

From 0.5m to 100m
Any length you need, we can provide.

CAT5E

Type	UTP Unshielded	FTP Single shielding	SFTP Double shielding
Bandwidth	100MHz	10OMHz	10OMHz
Data Rate	1Gbps	1Gbps	1Gbps
Conductor structure	Multi stranded/single solid		
Conductor material	CCA/Pure copper		
Wire gauge	28AWG/26AWG/24AWG		

UTP Unshielded

FTP Single shielding

SFTP Double shielding

CAT6

Type	UTP Unshielded	FTP Single shielding	SFTP Double shielding
Bandwidth	250MHz	250MHz	250MHz
Data Rate	1Gbps /10Gbps	1Gbps /10Gbps	1Gbps /10Gbps
Conductor structure	Multi stranded/single solid		
Conductor material	CCA/Pure copper		
Wire gauge	28AWG/26AWG/24AWG/23AWG		

UTP Unshielded

FTP Single shielding

SFTP Double shielding

CAT6A

Type	UTP Unshielded	FTP Single shielding	SFTP Double shielding
Bandwidth	500MHz	500MHz	500MHz
Data Rate	10Gbps	10Gbps	10Gbps
Conductor structure	Multi stranded/single solid		
Conductor material	CCA/Pure copper		
Wire gauge	26AWG/24AWG/23AWG		

UTP Unshielded

FTP Single shielding

SFTP Double shielding

CAT7

SFTP Double shielding

Bandwidth	600MHz
Data Rate	10Gbps
Conductor structure	Multi stranded/single solid
Conductor material	CCA/Pure copper
Wire gauge	26AWG/24AWG/23AWG

SFTP Double shielding

CAT8

SFTP Double shielding

Bandwidth	2000MHz
Data Rate	25Gbps/40Gbps
Conductor structure	Multi stranded/single solid
Conductor material	CCA/Pure copper
Wire gauge	26AWG/24AWG/23AWG

SFTP Double shielding

RJ45 CRYSTAL PLUGS

MULTIPLE SKUS • HIGH PERFORMANCE • RELIABLE CONNECTION

Our RJ45 crystal plugs are designed for fast and reliable terminations in a wide range of data networking applications. High quality materials ensure stable performance and long-term use.

Wide Compatibility

CONNECTING A BETTER WORLD

NETWORK CABLE
OUR CORE STRENGTHS

Reliable Quality | Professional Testing | Global Partnership

Stable Performance

Strict Quality Control

Professional Manufacturing

Long-term Cooperation

HIGH SPEED
HIGH RELIABILITY
A MORE CONNECTED WORLD

FLUKE TESTING

ENSURE REAL PERFORMANCE

All network cables are tested with Fluke professional channel testers to guarantee transmission performance meets international standards.

- Insertion Loss
- Return Loss
- NEXT / PSNEXT
- ACR-F / PSACR-F
- Compliant with TIA/ISO standards

ISO 9001

CERTIFIED QUALITY MANAGEMENT

Our factory is certified to ISO 9001, ensuring a consistentand reliable production process,strict quality control, and continuousimprovement.

- Standardized Management
- Strict Quality Control
- Consistent Product Quality
- Global Market Recognition

HEAD CERTIFICATION

QUALITY MANAGEMENT SYSTEM CERTIFICATE

Certificate No.: 04626Q04008R001

We hereby certify that the organization:
Guangdong Xunhua Cable Co., Ltd.
Unified social credit code: 91445281MAE5ACN196

is in conformity with Quality Management System Standard:
GB/T 19001-2016/ISO 9001:2015
Quality management systems—Requirements

The certificate is valid to the following product(s)/service:
Production of Network Cables, Telephone Lines, Video Cables and Data Communication Cables (Except for the Special Requirements of the State)

Registration Address/ Physical Address: No. 1, Industrial Road 2, Tongjiaochi, Zhangcuozhai Village, Chigang Town, Puning City, Jieyang City, Guangdong Province, P. R. China

Date of Issue: 2026-07-09
Date of Expiry: 2029-07-08

Issued By: MENG JIANJUN

Industrial Network

Video Surveillance

Home Network

Multiple Network Cable Solutions for Your Needs

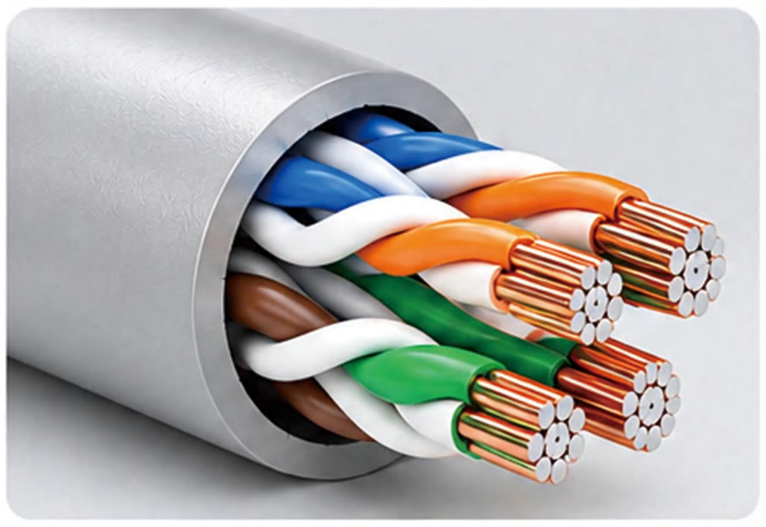

Flexible Options Based on Your Budget and Application

Network cables are the backbone of modern communication, connecting people, devices and data. We provide a variety of **cable solutions** with different materials to meet **diverse projects and application** requirements, helping you achieve **reliable, high-speed and stable network connectivity.**

CCA Network Cable

Cost-Effective Solution

Lower Cost | Wide Application | Bulk Projects

Recommended Applications

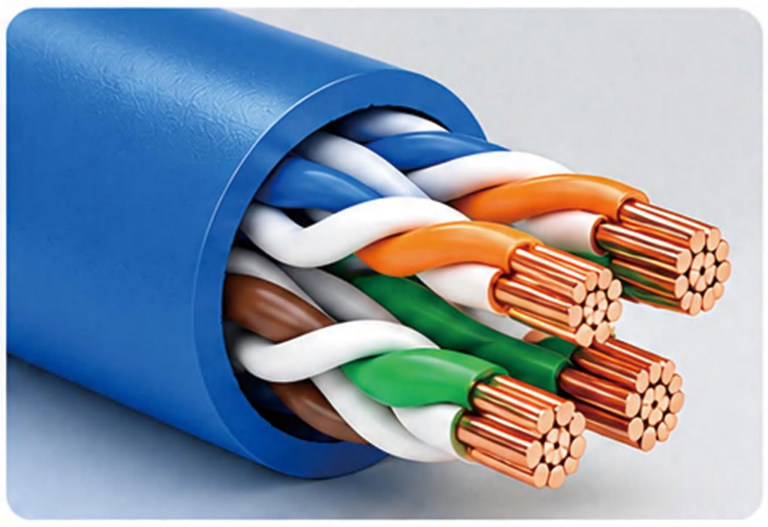

Suitable for cost-sensitive projects such as home networks, small offices, schools and general commercial buildings.

Product Positioning

Economical solution for large-scale deployments, meeting basic network transmission requirements with reliable performance.

Pure Copper Network Cable

Premium Quality

High Performance | Stable Transmission | Long Lifespan

Recommended Applications

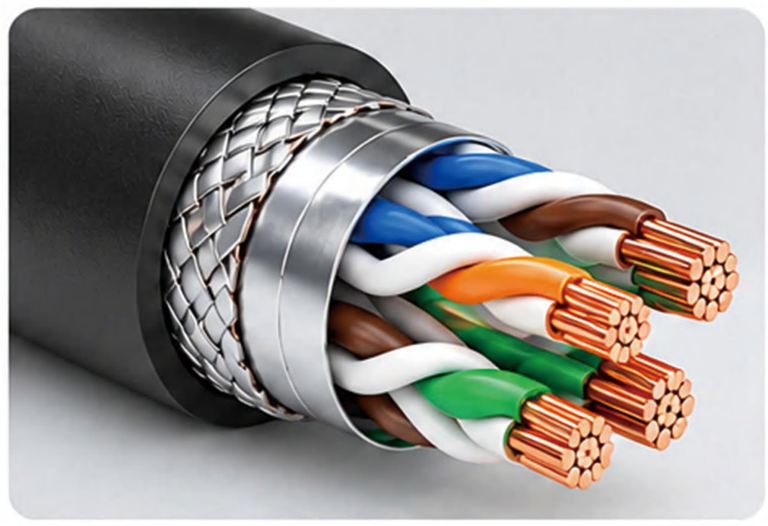

Ideal for enterprise networks, data centers, security systems, and other professional environments where high performance and reliability are required.

Product Positioning

High-quality solution with excellent conductivity and durability, ensuring stable and high-speed data transmission.

Shielded Network Cable

Enhanced Protection

Anti-Interference | Secure & Reliable | Industrial Use

Recommended Applications

Suitable for environments with strong electromagnetic interference (EMI), such as factories, railways, outdoor installations and critical infrastructure projects.

Product Positioning

Professional solution for demanding applications, providing superior shielding and stable signal transmission.

Selection Guide

Please consider the following factors to choose the most suitable network cable solution:

Application Environment

Indoor, outdoor, industrial, or special environments may have different requirements.

Transmission Distance

Longer distances may require higher quality conductors.

Installation Conditions

Consider environment, temperature, and installation method.

Installation Requirements

Consider flexibility, pulling strength, and temperature conditions.

Budget

Choose the most cost-effective solution for your project.

Need help choosing?

Contact our sales and technical team for professional advice!

NETWORK CABLE CUSTOMIZATION SOLUTIONS

Your Reliable Partner for Engineering, E-commerce & Global Trade

Reliable Quality

Flexible Customization

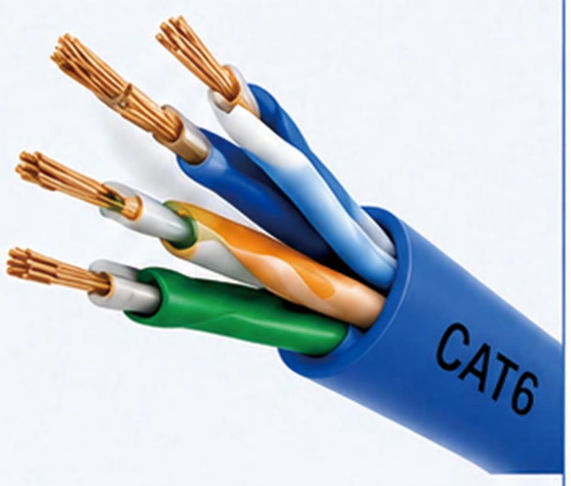

Global Supply

OEM/ODM

FOR IMPORTERS, BRANDS & DISTRIBUTORS

YOUR IDEA OUR CABLE

01 Cable Structure & Type

- Cat5e / Cat6 / Cat6A / Cat7 / Cat8
- UTP / FTP / SFTP / SSTP
- Solid or Stranded Conductor
- LSZH / PVC / PE Jacket
- Indoor / Outdoor / Direct Burial

02 Cable Color Customization

Custom cable jacket colors to match your brand. Pantone color available.

03 Custom Printing

Print your brand, model, specs, website or any text on the cable jacket.

04 Customized Box

Custom box design, logo, color, model, specifications and reels.

05 Customized Bag

Custom polybag, header card, logo, labels and barcode.

06 Customized Reel

Standard or customized reel size and length (e.g. 100m, 305m, 500m) to meet your market demand.

07 Custom Labels

Custom carton labels, barcode, specifications, logo, and country of origin.

08 Carton Customization

Custom master carton design, logo, shipping marks and packing information.

09 Bulk & Project Packaging

Meet large project and wholesale demands with standardized packaging, easy for transportation and inventory management.

10 Our Customization Capabilities

- Logo Printing
- Model & Spec Label
- Barcode Label
- Size & Length
- User Manual
- Box Design
- Multi-language Packaging
- Cable Color
- Customized Materials (LSZH, PVC, PE)

11 Patch Cord Length Customization

NEW

Length Can Be Customized

- Multiple lengths available (e.g. 0.1m, 0.25m, 0.5m, 1m, 2m, 3m, 5m, 10m, or your required length)
- Support different colors and connector options
- Flexible MOQ to meet various needs
