Active Optical Cable

- **OPTICAL DIGITAL AUDIO CABLE:** Perfect digital audio cable for crystal clear connection to DVD's Blurays, home theater receivers, satellites, online streaming playstation & xbox gaming systems.
- **HOME THEATER TOSLINK FIBER OPTIC CABLES:** Professional digital audio cable works with multi-channel surround sound, Uncompressed PCM audio and compressed 5.1 to 7.1 surround sound systems including Dolby Digital Plus, DTS-HD High Resolution and LPCM.
- **HIGHEST QUALITY BUILT DIGITAL AUDIO CABLES:** Optical cables feature a fully flexible PVC jacket and certified production to give you the highest quality longest lasting optical cables available.
- **24 K GOLD PLATED CONNECTORS:** Corrosion resistant gold plating keeps connectors clean. Plus because our cables are fiber optic they receive no RFI or EMI signal interference.
- **FULL 18 MONTH WARRANTY:** Every KabelDirekt optical cable comes with an 18 month no question asked guarantee to ensure customer satisfaction, our top priority.
