BLUEO

Blueo concentrates on manufacturing and marketing of high-quality screen protector with independent research and development capacity for new craft and new material. Blueo has at least 30 province-level and district-level distributors and be sold in more than 20000 retail stores. In foreign markets, Blueo has established distributors in 59 countries including the Middle East, Southeast Asia, Eastern Europe, Western Europe, and North America. For 9 years of development, Blueo now has a relatively good reputation in the screen protector industry.
