Jinan Wanfushun Economic and Trade Co., LTD

—— Ten years of deep cultivation in the field of chemical industry ——

company profile

A decade of dedication has made Jinan Wanfushun Economic and Trade Co., Ltd. a benchmark in chemical trade. Founded in 2021, the company is a comprehensive enterprise integrating chemical product trading, import and export business, and production and sales. We have over 10 years of experience in manufacturing intermediates, peptides, sterols, chemicals, and other products. Our products are exported to more than 30 countries and enjoy a high reputation both domestically and internationally.

Core positioning:

Focus on the chemical industry for more than 10 years, serving more than 10,000 customers from all over the world

It has its own factories and diversified agent channels, covering the upstream and downstream of the industrial chain

Business radiates to America, Europe, Australia, Southeast Asia, the Middle East and South Africa.

Four core strengths, build industry barriers

1. Full chain industrial layout: own factory + quality agent to ensure the stability of supply Self-owned production base: Modern production base located in Jinan, Shandong Province, equipped with advanced production lines and quality inspection system, with huge annual output value, and strictly following international standards such as ISO 9001 and ISO 14001 Diversified agency network: long-term agency cooperation has been reached with many well-known foreign chemical enterprises, covering medicine Intermediates, chemical raw materials, special additives,

beauty and health care fields, can quickly respond to the diversified needs of customers

2. Global trade capability: rich experience in import and export, opening up the international market Complete import and export qualifications: have the right to import and export independently, provide customization and OEM/ODM services, familiar with customs policies and technical standards of various countries (such as EU REACH, US FDA) Customer network covers the world: our products are exported to more than 30 countries and enjoy a high reputation at home and abroad Our trading partners are located all over the world, mainly in the Americas, Europe, Australia, Southeast Asia, the Middle East and South Africa

3. Professional service team: technology + business dual drive, customized solutions Senior Sales Team: The company has established a dedicated technical department and after-sales service department. If you have any questions, we will respond seriously. We look forward to working with you soon Efficient business system: from order confirmation to logistics delivery, 7x24 hour response service is provided.

4. Strict quality control: whole process quality control, protect the bottom line of quality Source control: raw material procurement of our own factories is screened layer by layer, and the agency products pass ISO 9001 quality and other relevant tests. Full traceability: establish a full chain traceability system from production, storage to transportation to ensure that each batch of products can be checked and controlled。

Main business sector

category of the product	**Representative product**	**application area**
Pharmaceutical chemicals	Active pharmaceutical ingredients (API), pharmaceutical intermediates	Pharmaceutical field
specialty chemicals	Surfactant, water treatment agent, oil field additive	Daily chemical, environmental protection, energy industry
Basic chemical raw materials	Benzene, alcohol, ester compounds	Processing and synthesis of related products

Advantages in import and export services

1.Direct purchase / direct supply from the source, with significant price advantages, avoiding multiple layers of price increases, reducing procurement costs or increasing sales profits.

2. Shorten the delivery cycle, respond faster, simplify the order process (such as directly connecting with the factory production plan), reduce communication loss, and improve the efficiency of order processing, production scheduling and logistics.

Qualifications and honors
