## VOLTO Projector

With more than 20 CNC milling machines. more than 10 projector production line  
monthly Production capacity over 300,000pcs to meet your large quantity demand.  
Fast delivery to support your business.

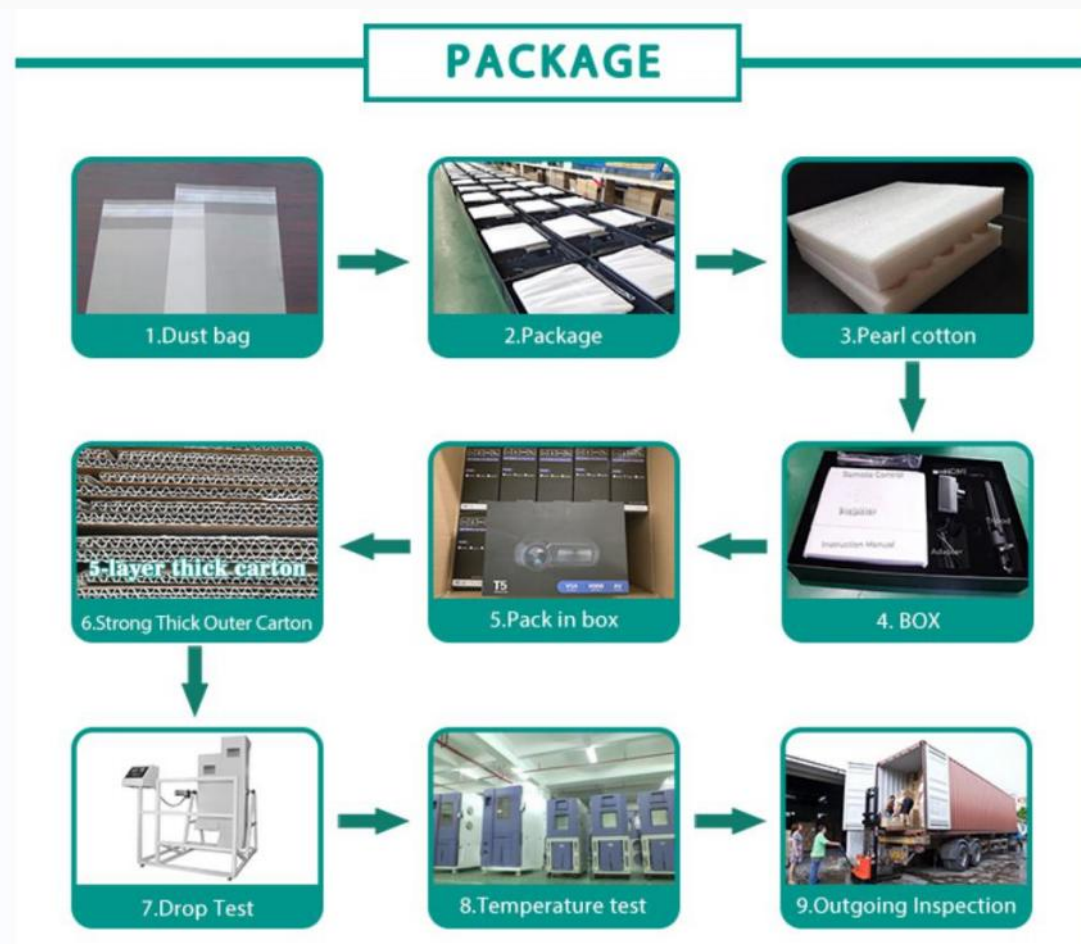

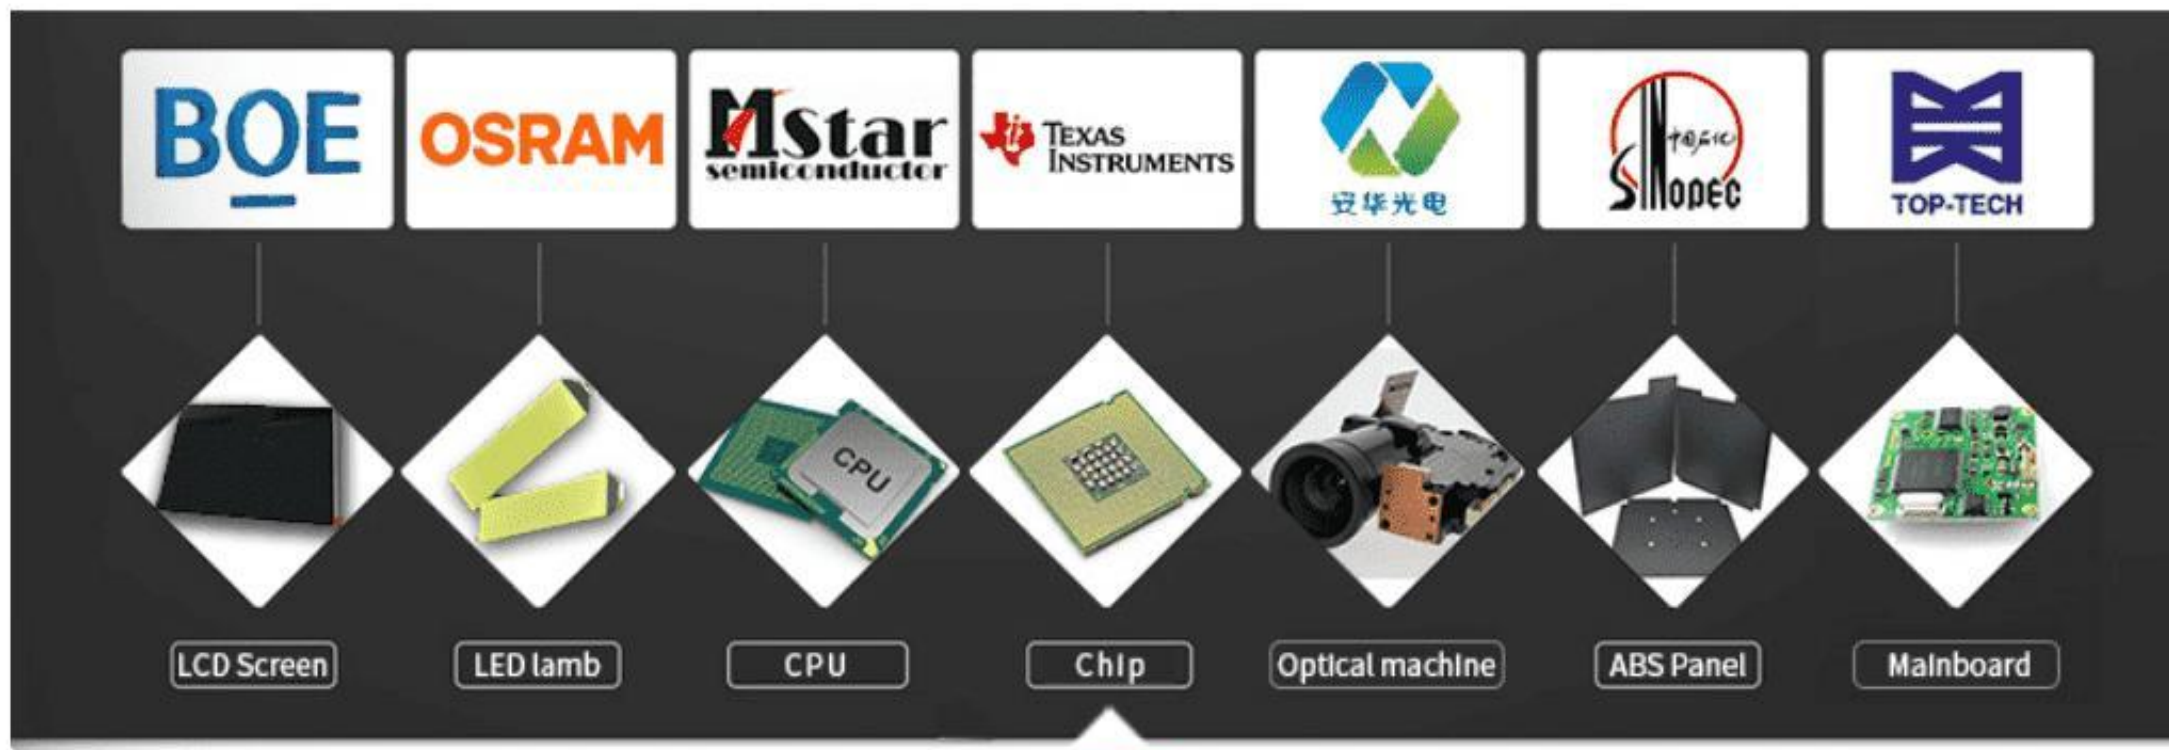

All the multimedia projectors approved by  
CE,ROHS,FCC,CCC,PSE etc certificates

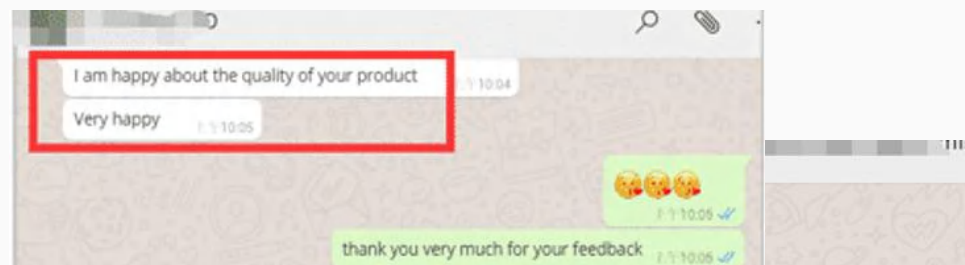

# Strong protection on your every projector

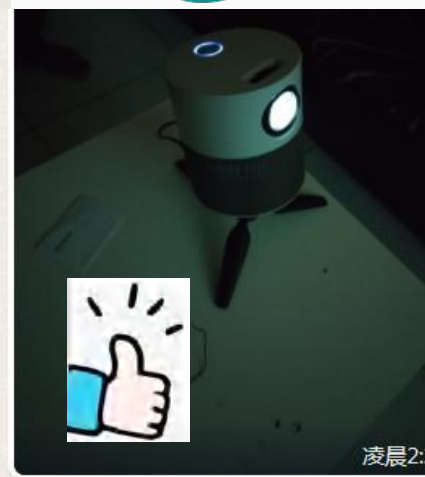

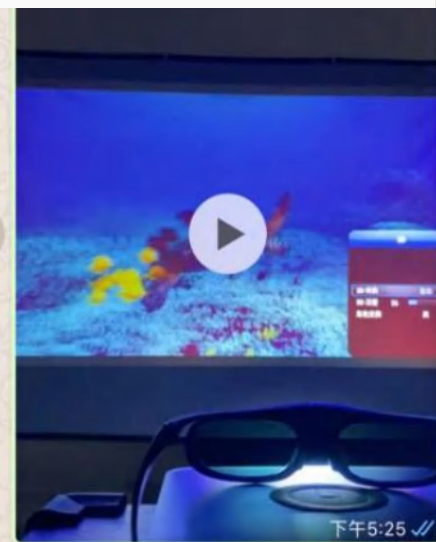

## CORE RAW MATERIAL SUPPLIER

## 05 Customers' feedbacks

It looks perfect for what I need

And have you checked this projector?

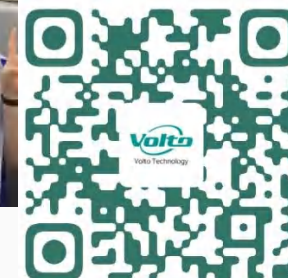

Yes I received it on Friday and checked it yesterday and enjoyed its quality and features

Now going to contact with my customer let's hope for the best I will contact you soon  
Thanks for your cooperation

I got the update that you have received your projector,  
so may i know if there is any problem when you using

Hi, we are happy with the quality of the product and we see opportunities to work long term together

Yes. The projector is wonderful. The 3D is amazing. I am now working on the test chart program to be projected.
