Corporate Social Responsibility

- SUNWAY believe it is our duty to protect the workers and environment
- We do this by complying with all applicable environmental laws and regulations.

We turn bottles to Luggage

- New luggage from recycled PET bottles
- From food grade material, no smells, no pollution, pass chemical testing.
- One set 20/24/28 inch luggage will resume 5kg PET material, this material could be recycled from water bottles

we reduce pollution from kraft papers

ECO-Friendly

Food grade material, no smells, no pollutions. Pass all chemical testings easily, no environmental duties.

Recycleable

Excellent UV-resistant natural helps it to be one of the most stable plastic material. Recycled PET keeps its original properties to be re-produced.
