XIANJIN

since 2013

Established in 2013, we have an independent factory.

Shaoxing Xianjin Import and Export Co., Ltd. was founded in 2013 and is equipped with an independent factory. our factory is furnished with advanced production machinery and equipment. We have experienced technicians and proficient operators.
our independent factory enables us to have full control over the production process, from raw material procurement to the final product assembly, ensuring high - quality production and efficient order fulfillment.

Our Advantages

We have established long - term partnerships with high - quality raw material suppliers to ensure a stable supply of raw materials, which remains unaffected by market fluctuations.

We are capable of custom - producing products based on the samples provided by customers, meeting the special requirements of different customers in terms of product materials, colors, patterns, specifications and so on.

We have experienced technical workers and professional production management personnel who can operate the equipment skillfully and strictly control the quality and technological standards during the production process.
