DongGuan PSG Industry Co., Ltd. Introduction

DongGuan PSG Industry Co., Ltd. was founded in 2007 and is headquartered in Wulian Scientific Research Road, Fenggang Town, Dongguan, China.

We located at Jingbo industrial zone in Dongguan, China. The factory covers an area of 30,000m² with 500+ workers. We always hold up to high quality and good customer service. It is our mission to pursue constant technical innovation as well as management perfection. We have 15 outstanding R&D departments, including engineering, technology and on-site operation departments. Moreover, we own 68 production patents and our daily output about 40,000~50,000 pieces.

PSG accepts custom-made cases upon request. From product design to final completion, we have the perfect solution for you. Our production cycle is generally within 7-10 workdays. Once you have a design or pattern ready, we are able to produce a high quality sample of the product.

For quality control, we have professional quality control teams in place to ensure our product finished with high standard. We perform a QC spot check daily. To safeguard the interests of our customer, we will take responsibility for any product quality related issues. This is our commitment to honor our well-beloved customers.
