Our goal is to build strong business partnerships
with sharing growth and values!

**MULTIPLE
STYLES**

17 YEARS EXP

**HIGH
PRODUCTIVITY**

OEM/ODM

XIGAO moved to a new factory, increased to 32 workers and focusing on phone case.

XIGAO expanded more production line and more equipment to meet with the production capacity.

XIGAO have own R&D team, the workers increased to 200. We can meet all customers' demands in any time.

2006

2009

2011

2014

2017

2019

2021

XIGAO was founded in Shenzhen, only with 10 workers and focusing on phone case and tablet case.

XIGAO in order to meet the market, increased to 100 workers and concentrating on abroad customers for kinds of phone case.

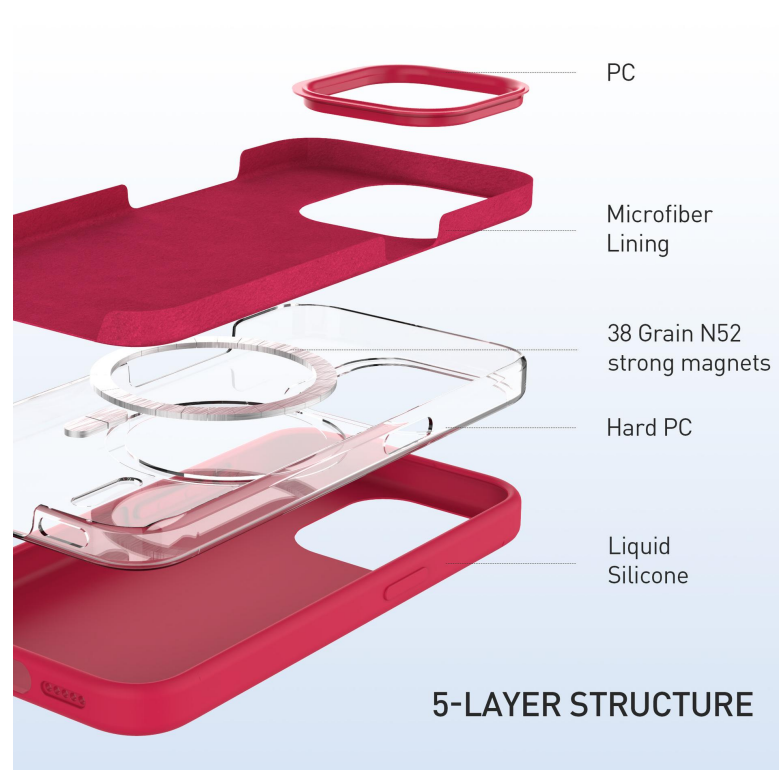

XIGAO moved to a larger new factory, nearly 4000 square meters. And also add more equipment to increase productivity.

XIGAO opened a new branch factory in Shenzhen to produce our continuously increasing orders. We are growing!
