Main entrance

Yangdong Kelida Industrial Co., LTD. is a factory which is mainly for kitchen tools, baking tools, baby products, household products, etc. for example, silicone kitchen tools, nylon kitchen tools, plastic buckets & basins, plastic strainers, silicone heat-resistant gloves, silicone muffin trays, silicone ice cube trays, spatulas, brushes, icing sets, silicone nipples, silicone baby tableware...

It established in year 2006, and had got its self-supported import & export rights in year 2013. Currently it locates in Nahuo Industrial Zone, Yangdong District, Yangjiang City. It covers an area around 4000 square meters and with around 100 employees. It owns multiple complete production lines for silicone and injection-molded plastic products, and hold multiple appearance patents and utility model patents. We strictly select high-quality food-grade silicone and environmentally friendly plastic as raw materials, and can customize products with required certificates for specific customers.

With rich product development experience, we currently offer hundreds product models and thousands sets, which are exported to dozens of countries and regions, providing long-term and stable supply to many large supermarkets abroad, famous brands, as well as domestic and international e-commerce platforms, wholesalers, importers, and retailers.

We also provide OEM and ODM customization services, with dedicated quality inspectors monitoring every stage of the process. We ensure timely delivery: in-stock products are shipped within 48 hours, customized products are delivered within 30 days, and urgent orders can be expedited through communication. Our customer service team responds promptly online to solve various problems for you, making us your reliable supplier.
