Yiwu Market, Chinese Products

Yiwu is a small city Located in the central part of Zhejiang Province in China. The city has a great variety of basic and small products, one the reasons why it has become a prosperous city in recent years. Merchants and traders from all over the world make conduct business transactions with China in this city. In this article, we'd like to talk about Yiwu and the benefits of buying your basic products needs in this city. Regardless of being a small city, Yiwu makes significant contributions to the success of moving the economy in China. Yiwu has the biggest market in China for basic products need. In this city you can find manufacturers, providers and big retail stores, as well as the biggest market for raw materials. Yiwu is well known in the world for being the biggest (or best) small city for commodity production.

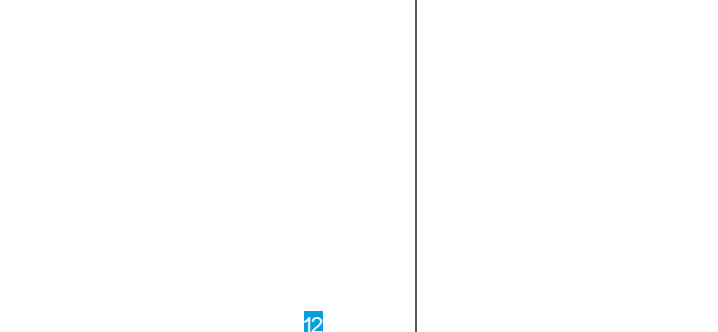

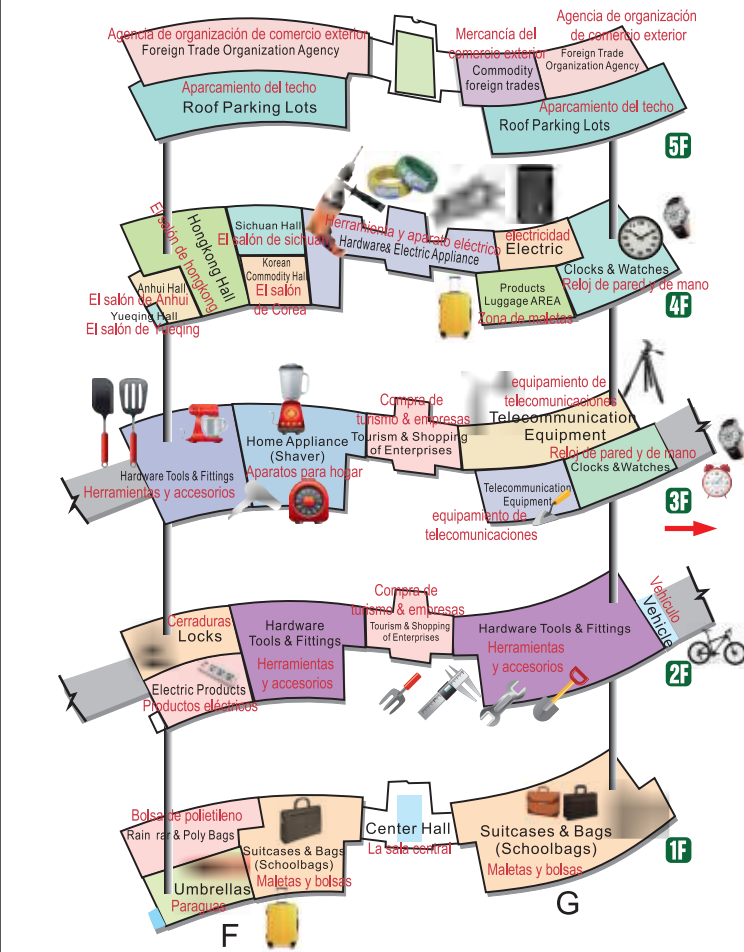

There are numerous categories of products available in the Yiwu market. Some examples are:

- 1. Houseware, Kitchenware and General Merchandise
- 2. Stationary and Sports Merchandise
- 3. Hardware and Tools
- 4. Fashion Accessories (scarves, hats, gloves, and headbands)
- 5. Christmas, Artificial Floral and Festival Decorations
- 6. Jewelry and Hair Ornamentation
- 7. Toys and Gifts, Etc.
