佛山市冠华涛线缆有限公司是一家集电线电缆，五金等制造及销售的生产型工厂，公司旗下附属两大分厂（佛山市荣达线缆有限公司，佛山全恩友电线电缆有限公司均隶属冠华涛），佛山市冠华涛线缆有限公司以不同的生产车间专业、严格把控、系统化进行质量管理。冠华涛品牌主营产品包括：网线，电源线，电力电缆YJV、KVV、VV，同轴监控线，光纤，RVV, RVVP（屏蔽线/对绞电源线）等国家强制3C产品以及HDMI等弱电线缆以及网线机柜，服务器机柜、电箱、户外防水箱、等配套五金产品。

GHT WIRE & CABLE CO., LIMITED is a manufacturing factory that integrates the production and sales of wires and cables, hardware, etc. (hereinafter referred to as VRGHT).Our company has two subsidiary factories (Foshan Rongda Cable Co., Ltd. and Foshan Quanenyou Wire & Cable Co., Ltd., are both belonging to VRGHT). VRGHT conducts professional, strict, and systematic quality management in its different production workshops. VRGHT's main products include: network cables, power cords, YJV, KVV, and VV power cables, coaxial monitoring cables, fiber optic cables, RVV and RVVP (shielded/twisted pair power cords) and other nationally mandated 3C products, as well as HDMI and other low-voltage cables, network cable cabinets, server cabinets, electrical boxes, outdoor waterproof boxes, and other supporting hardware products.

我司拥有自己的分析实验室，对来料与成品进行严格管控，其中包括显微镜、密度仪、拉力机、老化箱、电桥测试仪、耐压仪、电流检测仪、FLUKE测试仪、材料分析仪等。公司严格执行ISO9001生产质量体系、管理人员：厂长、QC、质检助理、审核、出仓仓管、点对点派送司机、办公室人员配备充足、售后完善。给您厂如家的整齐，业务如家人的亲切无间的无缝配合。好质量，好服务，好价格是冠华涛的服务宗旨，也是不变的承诺。

Our company has its own analytical laboratory, which strictly controls incoming materials and finished products. This includes equipment such as microscopes, densitometers, tensile testing machines, aging chambers, bridge testers, withstand voltage testers, current detectors, Fluke testers, and material analyzers. The company strictly implements the ISO9001 production quality system. Our management personnel include a factory manager, QC, quality inspection assistants, auditors, warehouse keepers, point-to-point delivery drivers, and sufficient office staff. We also provide comprehensive after-sales service. “Great Price High Quality Thoughtful Service” are VRGHT's service tenet and unwavering commitment.

我公司引进具有国际先进水平的网线生产线及产品检测仪器，并采用进口原料和优质的国产原料，符合有关标准要求，处于国内领先水平，并拥有先进的工艺装备、齐全的检测设备。公司拥有标准的成缆网线机器，以优于同行的生产及设备工艺，五类0.45mm六类0.50mm即可通过国际福禄克测试。公司自有五金切割机及环保喷涂线，自产自销五金机柜及电箱，同时厂区2025年投建强电车间，并获得工业生产许可证，大大提升公司市场竞争力，强弱电五金车间自成一体，冠华涛为客人节省运输成本并完成产品采购一条龙，欢迎客人参观验厂，期待合作共赢！

Our company has introduced internationally advanced network cable production lines and product testing instruments, using imported raw materials and high-quality domestic raw materials, meeting relevant standards and placing us at the forefront of the domestic market. We possess advanced process equipment and complete testing facilities. Our company has standard network cable production machines, with production and equipment processes superior to our competitors. Cat5 0.45mm and Cat6 0.50mm cables can pass the international Fluke test. We own our own hardware cutting machines and environmentally friendly spraying lines, and produce and sell our own hardware cabinets and electrical boxes. Furthermore, a high-voltage electrical workshop will be built in our factory in 2025, and we have obtained an industrial production license, greatly enhancing our market competitiveness. Our high-voltage and low-voltage hardware workshops are self-contained. VRGHT saves customers transportation costs and provides a one-stop service for product procurement. We welcome customers to visit our factory and look forward to mutually beneficial cooperation!
