ABOUT US

Founded in 2009, CYD Electronics (Shenzhen) Co., Ltd, specialized in all kinds of mobile accessories. Since the product design is fashionable, we have won a good reputation in well-known brands of this industry. By a decade of Development, CYD has established good business relations with DURACELL, MLB, BESTBUY, Wal-Mart and so on.

Now, We have staff of 500 people, including high-quality design team and experienced engineers; 8000 m² of modern standard workshop located in Shenzhen. total 16 production lines for charger/cable/earphone.

CYD joined MFI project of Apple Inc. in 2013, releasing a lot of MFI products, data cable, backup power supply, battery charger, earphone, audio adapter and other products. For different markets, we make cooperation with Intertek, SGS and TUV to ensure product quality.

In 2014, CYD applied for its own brand of "Best Wisdom", by getting good reputation in this industry of customers and attending CES, IFA, CEBIT and other exhibitions, grows up together with customers. With the development of mobile electronics, we joined USB-IF and Bluetooth SIG in 2016 and WPC in 2018. We get the GRS (global recycled standard) in 2022.

We sincerely hope: you and we work for a better future!
