

If you are looking for Custom Branded Rugby Ball Manufacturers in India, Union Sports INTL is a prominent manufacturer and exporter of high-quality custom branded rugby balls based in Jalandhar, India. Our rugby balls are designed for a comfortable/long lasting grip in all conditions with a great control, making them perfect for match plays and training sessions.

The entire ball-making process is done in-house, including outer rubber compound making (using imported machines), printing, cutting, sewing etc. That means the entire procedure is under our strict supervision. It enables us to deliver high-quality professional rugby balls, for professional use.

We are always ready for the bulk order manufacturing of rugby balls meeting international standards for each piece we manufacture at very competitive prices.

Different Types of Rugby Balls We Manufacture & Exports worldwide

- Match Rugby Balls
- Training Rugby Balls
- Promotional Rugby Balls
- Mini Rugby Balls

Key Features of Rugby Balls manufactured at Union Sports INTL

- High-quality rubber and synthetic material.
- Excellent grip for all weather conditions.
