Company Profile

Shenzhen Lanbo Household Items Co., Ltd. — Professional LED Smart Bathroom Manufacturer

• Company Positioning:

Shenzhen Lanbo Household Items Co., Ltd. is a high-tech manufacturing enterprise specializing in the **design, R&D, and production of LED illuminated sanitary products.**

• Core Strengths

Professional Team

We bring together experts in electronic control, structural design, and hydro-generator technology, supported by an experienced sales and service team to provide comprehensive solutions for our

clients.

Advanced Manufacturing

Equipped with multiple automated production lines, including circuit board assembly, hydro-generator production, and dedicated lines for LED shower heads, LED faucets, and LED overhead showers.

Strict Quality Control

We pay meticulous attention to every detail, from product design and material selection to production techniques, all strictly adhering to international production and inspection standards.

• Product Philosophy

We seamlessly integrate **optoelectronic technology** with daily bathroom essentials to enhance user experience, striving to become an industry leader renowned for outstanding quality and service.

• Company Mission

To deliver **safe, energy-saving, and delightful** smart bathroom experiences worldwide.

Product Key Advantages

Water-Powered

Built-in turbine generator powers the LED instantly when water flows

✓ Zero Battery Cost

4 Light Modes

- Temperature Sensor 3 Colors
- Rainbow /Multi-color fastflash
- 7 Colors Fading
- Single Color

Safe & Durable

≡ Highest waterproof rating

🌊 First-grade materials

🔌 Leakage-proof design

Easy Installation

- ✓ Standard G1/2 connections
- ✓ No extra wiring needed
- ✓ 5-minute quick install

Product Series Overview

= Common Features

- All support 4 light modes
- All support water-powered system
- All Support CE, RHOS
- Patent Certificate
- All Support Water Proof

Comparison

Light Modes Comparison

Light Mode	Trigger Condition	Light Feature	Applicable Scenarios	Safety Function
Temperature Sensor 3 Colors Mode	Water Temperature and Water Flow	$T \leq 33^{\circ}\text{C}$ Blue or Green Color	* Family Daily Use	Visuable Seen
		$33^{\circ}\text{C} < T < 42^{\circ}\text{C}$ Green or Blue Color	* Avoid Scalding	Water Temperature
		$42^{\circ}\text{C} < T < 50^{\circ}\text{C}$ Red Color	* Especially for elder and children	Through Color
		$T \geq 50^{\circ}\text{C}$ Red flashing		
Rainbow Mode / Muti-color fastflash	Water Flow	Color Changes Quickly at random. It Changes Every Second & Flashes very quickly.	Party 、 Birthday、 Children Bathing	—
7 Colors Fading Mode	Water Flow	Color Gradually Changes over time. The colors changes are: green - mixed green and blue - blue - mixed blue and red - red - mixed red and green- mixed green, blue, and red	SPA Relax、 Stress Relief, Soothing before Sleep	—
Single Color Mode	Water Flow	The Shower Head or Faucet Aerator only Produces One light. There are No Color Changes.	Morden Bathroom Atmospheric Lighting Style Coordination	—

Featured Product

LED Shower Head | LD8008-A1

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

$T \leq 33^{\circ} \text{C}$

Cold Water

$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$

Warm Water

$T > 42^{\circ} \text{C}$

Hot Water

Muti-color fastflash

Vibrant multi-color flashing, perfect for parties

7 Colors Fading

Smooth color cycling creates a relaxing ambiance,
perfect for unwinding after a long day

Single Color

One fixed color (customizable), simple and stylish
for modern bathroom design

Technical Parameter

Material

ABS+Chrome

Product Size

D103mm *L 253mm *Width 39mm

Water Pressure

>0.3 MPa

Packing

Color box, 40 pcs/CTN

for modern bathroom design

Technical Parameter

Material	ABS+Chrome	Product Size	D65mm *L 210mm *Width 54mm
Water Pressure	>0.3 MPa	Packing	Color box, 56 pcs/CTN

Featured Product

LED Shower Head | LD8008-A23-1

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

	$T \leq 33^{\circ} \text{C}$	Cold Water
	$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$	Warm Water
	$T > 42^{\circ} \text{C}$	Hot Water

Muti-color fastflash

Vibrant multi-color flashing, perfect for parties

7 Colors Fading

Smooth color cycling creates a relaxing ambiance,
perfect for unwinding after a long day

Single Color

One fixed color (customizable), simple and stylish
for modern bathroom design

Technical Parameter

Material	ABS+Chrome	Product Size	D65mm *L 210mm *Width 54mm
Water Pressure	>0.3 MPa	Packing	Color box, 56 pcs/CTN

Featured Product

LED Shower Head | LD8008-S23

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature

>0.3 MPa

Packing

Color box, 75 pcs/CTN

Featured Product

LED Ceiling Shower | LD8010-A3

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

$T \leq 33^{\circ} \text{C}$

Cold Water

$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$

Warm Water

$T > 42^{\circ} \text{C}$

Hot Water

Muti-color fastflash

Vibrant multi-color flashing, perfect for parties

7 Colors Fading

Smooth color cycling creates a relaxing ambiance,
perfect for unwinding after a long day

Single Color

One fixed color (customizable), simple and stylish
for modern bathroom design

Technical Parameter

Material

ABS+Chrome

Product Size

Diameter 90mm * Height 125mm

Water Pressure

>0.3 MPa

Packing

Color box, 60 pcs/CTN

Featured Product

LED Ceiling Shower | LD8010-A4

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

$T \leq 33^{\circ} \text{C}$

Cold Water

$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$

Packing

blister, 160pcs/CTN

Featured Product

LED Faucet Aerator | LD8001-B1-6

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

	$T \leq 33^{\circ} \text{ C}$	Cold Water
	$33^{\circ} \text{ C} < T \leq 42^{\circ} \text{ C}$	Warm Water
	$T > 42^{\circ} \text{ C}$	Hot Water

Muti-color fastflash

Vibrant multi-color flashing, perfect for parties

7 Colors Slow Flash

Smooth color cycling creates a relaxing ambiance,
perfect for unwinding after a long day

Single Color

One fixed color (customizable), simple and stylish
for modern bathroom design

Technical Parameter

Material	ABS+Chrome	Product Size	Diameter 34mm * Height 95mm
Thread Size	Female M22/ Male M24	Packing	Kraft box, 100pcs/CTN

Featured Product

LED Faucet Aerator | LD8001-A2

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature

Diameter 27mm * Height 172mm

Thread Size

Female M22/ Male M24

Packing

Kraft Box 100pcs/CTN

Featured Product

LED Faucet Aerator | LD8001-B15-6

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature
(Blue/Green→Green/Blue→Red), safety indication

$T \leq 33^{\circ} \text{C}$

Cold Water

$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$

Warm Water

$T > 42^{\circ} \text{C}$

Hot Water

Muti-color fastflash

Vibrant multi-color flashing, perfect for parties

7 Colors Slow Flash

Smooth color cycling creates a relaxing ambiance,
perfect for unwinding after a long day

Single Color

One fixed color (customizable), simple and stylish
for modern bathroom design

Technical Parameter

Material

ABS+Chrome

Product Size

Diameter 25mm * Height 63mm

Thread Size

Female M22/ Male M24

Packing

Kraft Box 100pcs/CTN

Featured Product

LED Faucet Aerator | LD8001-B15-4

Thread Size	Female M22/ Male M24/M20	Packing	White Box, 50pcs/CTN

Featured Product

Shower and Faucet | LD6008-G23

Features and Benefits Details

Pressure Boost Technology

Enhances water pressure for a more invigorating and efficient shower, even in low-flow conditions.

Saves water without compromising performance, reducing utility costs.

Multiple Spray Modes

- Normal Rainfall Mode
- Center Jet Mode
- Rainfall-Center Mixed Mode

Water Stop Switch

Allows instant pause of water flow with a simple switch, enabling convenience during soaping, shampooing, or shaving. Promotes water conservation by preventing wastage during breaks.

Built-in Filtration Function

Filters out impurities such as chlorine, sediments, and scale from water, protecting skin and hair from irritation. Extends the showerhead's lifespan by reducing mineral buildup and clogging

Technical Parameter

Material	ABS+Chrome	Product Size	Diameter 80mm * Length 240mm
Thread Size	Male M20	Packing	Kraft Box, 30pcs/CTN

Shower and Faucet | LD6008-Z34

Features and Benefits Details

Pressure Boost Technology

Enhances water pressure for a more invigorating and efficient shower, even in low-flow conditions.

Saves water without compromising performance, reducing utility costs.

Innovative Spinning-Turbine

A spinning turbine inside the showerhead aerates the water and twists it into a powerful, spiraling column with a distinctive tapered (hourglass) shape for a deep-tissue massage sensation.

Water Stop Switch

Allows instant pause of water flow with a simple switch, enabling convenience during soaping, shampooing, or shaving. Promotes water conservation by preventing wastage during breaks.

Built-in Filtration Function

Filters out impurities such as chlorine, sediments, and scale from water, protecting skin and hair from irritation. Extends the showerhead's lifespan by reducing mineral buildup and clogging

Shower and Faucet | LD1001-A1

Features and Benefits Details

Pressure Boost Technology

Enhances water pressure for a more invigorating and efficient shower, even in low-flow conditions.

Saves water without compromising performance, reducing utility costs.

Normal Rainfall Mode

Simulates gentle, wide-coverage rainfall for a relaxing and full-body comfort.

Advantage

Eco-friendly and user-friendly, enhancing both comfort and sustainability

Built-in Filtration Functionr

Filters out impurities such as chlorine, sediments, and scale from water, protecting skin and hair from irritation. Extends the Faucet Aerator's lifespan by reducing mineral buildup and clogging

Technical Parameter

Material	ABS+Chrome	Product Size	Diameter 53mm * Length 55mm
Thread Size	Female M22/Male M24	Packing	Kraft Box, 50pcs/CTN

Featured Product

Shower and Faucet | LD1001-A2

Featured Product

Shower and Faucet | WG001

Features and Benefits Details

Pressure Boost Technology

Enhances water pressure for a more invigorating and efficient shower, even in low-flow conditions.

Saves water without compromising performance, reducing utility costs.

Multiple Spray Modes

- Normal Rainfall Mode
- Center Jet Mode
- Sweep Mode

Efficient and Clean

Laminar flow technology provides a generous feel while conserving water and keeping the sink area dry.

Elegant and Mordern Design

The clean, unbroken water sheet serves as a beautiful focal point, elevating any bathroom or kitchen decor.

Technical Parameter

Material	ABS+Chrome	Product Size	Diameter 130mm * Length 100mm
Thread Size	Male M20	Packing	Color Box, 60pcs/CTN

Featured Product

Shower and Faucet | QIFA003A

Featured Product

Faucet and Tap | LD8006-030B

Features and Benefits Details

Aesthetic Modern Design

Creates a stunning visual centerpiece with a sleek, minimalist silhouette.

The transparent glass allows the water stream to become a visible design element, enhancing the overall ambiance.

Unique Water Flow Experience

Produces a wide, smooth, sheet-like "waterfall" stream rather than a standard aerated flow.

Offers a gentle, quiet, and luxurious feeling during handwashing or filling vessels.

Durability & Material Quality

High-quality tempered glass is resistant to heat, corrosion, and impact.

Often paired with solid brass or stainless steel internal fittings for long-term reliability.

Easy Cleaning & Maintenance

The smooth, non-porous glass surface resists water spots, lime scale buildup, and stains more easily than some metals. Typically requires just a simple wipe-down to maintain clarity and shine.

⚙️ Technical Parameter			
Material	Brass+Glass+Chrome	N.W./G.W.	939g/1460g
Thread Size	1/2G or 3/8G	Packing	Yellow Box, 12pcs/CTN

Light Modes Details

Temperature Sensor 3 Colors

Changes color with water temperature (Blue→Green→Red), safety indication

$T \leq 33^{\circ} \text{C}$

Cold Water

$33^{\circ} \text{C} < T \leq 42^{\circ} \text{C}$

Warm Water

$T > 42^{\circ} \text{C}$

Hot Water

Innovative Design

Features the same non-porous, easy-to-clean surface as standard glass faucets, resisting stains and scale. The integration of light into the water stream represents a blend of high-tech innovation and modern design.
