

Company profile

Shenzhen Homyet Parts Electronics Co.,Ltd is committed to electronic components, parts development, design, production and sales of professional firms. We stick to innovation and quality. In order to adapt the requirements of market, we open up constantly, innovation, so we develop a series of new product successful and push in market. Our main products are Tact switch, Phone jack, Toggle switch, power jack, card and connector etc. Our products are widely used in digital fashion, communications, Multimedia, digital home and other related fields. The company has perfect quality management system, Experienced professional and technical personnel.

The company keep in line with purpose of "quality, efficiency, integrity, Service", we conscientiously sum up experiences, Listen carefully to customer feedback and suggestions, Constantly improving and upgrading services to users. In the days, the company will go on cooperation with new and old customers to create brilliant together.

Enterprise tenet

办公区

Work Area

会议室 Meeting Room

会客室 General Office

走廊 Hallway

仓库

Warehouse

1.恒温恒湿软件保障产品存储安全性

2.先进分拣防止产品积压

3.可视化制化管理提升管理效率

半成品区 Semi-finished Zone

综合区 Generalization

1.Constant temperature and humidity software and hardware to ensure product storage safety

2.first-in-first-out to prevent product backlog

3.visual customization management to improve management efficiency

实验室

laboratory Area

投影仪 Projectors

寿命测试机 Life test Machine

曲线仪 Curve Tracer

金属分析仪 Metal elemental analysis

RoHS测试机 Rohs Test Machine

软雾测试机 Soft Spary Test Machine

硬度测试机 Hardness test machine

回流焊锡机 Reflow Soldering Machine

恒温测试机 Temperature&humidity Test Machine

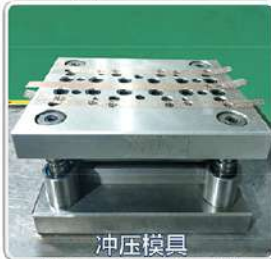

高精设备，满足不同客户需求。

High precision equipment to meet the all kinds customers

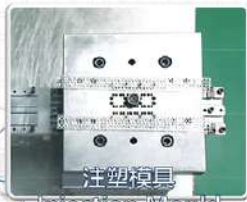

模具展示

Mold display

冲压模具 Stamping Mould

注塑模具 Injection Mould

装模具 Tooling Mould

高精设备，满足不同客户需求。

High precision equipment to meet the all kinds customers

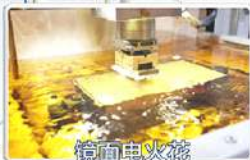

加工设备 Processing Equipment

慢走丝设备
WEDM Machine

慢走丝设备
WEDM Machine

镜面电火花
Mirror EDM Machine

高精设备，满足不同客户需求。
High precision equipment to meet the all kinds customers

加工设备 Light grinder

高精设备，满足不同客户需求。
High precision equipment to meet the all kinds customers

生产车间 Production Area

卧式注塑车间
Horizontal Injection Molding

立式注塑车间
Vertical Injection molding

冲压车间
Stamping

高精设备，满足不同客户需求。
High precision equipment to meet the all kinds customers

组装车间 Assembly Area

高效自动机组装，产能保证。
Fully automatic assembly, high productivity line.

 组装车间
Assembly Area

无尘车间，确保品质。
Dustless Workshop, ensure quality.

 检测车间
Auto-test Area

全自动检测设备，快速响应交期。
Automatic testing equipment, fast response, fast delivery.

 检测车间
CCD Area

平整度检测仪，目标：0 缺陷产品。
CCD flatness testing machine, target : 0 defect product.

 包装车间
Packaging Area

全自动化包装，高效率，低成本，好品质。
Full automatic packaging, Efficient, low cost, high quality.
