Gaming Gear Solution

ZODIC Technology Limited

2021

Who are we

- Zodic is specializing in keyboard and mouse business. With the development of China Internet cafe in recent years, market requires professional gaming gear, since the surrounding in the Internet cafe is more and more comfortable and high class, the most important part of the gaming gear is keyboard and mouse, so we need to design fantastic products for the market, also Computer game has been listed as National Athletic Competition, game players need more professional and cool designed keyboard and mouse, thus Zodic invested a lot in the tooling and facility. So far, Internet cafe owners are very fond of products from Zodic.
