**Qingdao Rainbow Packaging Co., Ltd** is a professional company that manufactures all kinds of packaging products, including paper boxes, corrugated boxes, color boxes, cardboards, paper bags, food packaging box etc.

There are over 60 pieces of advanced equipment including Automatic diecut machine, world-class printing machines, such as the German Man Roland, Heidelberg Speed master, full series of pre-printing and after-printing machines. Based on first-class facilities, technology and management, we can produce more than 3 billion square meters of color surface cartons, corrugated boards and paper products annually.

We cover an area of 5,000 square meters with a mature foreign trade team. We have developed more than 80 markets all over the world. We have our own special price calculating system, quality control system and ERP control system.

To keep products' quality, we imported high-end printing devices from Germany and Japan like Roland printing, Ryobi printing, and Heidelberg printing. Also many years experience makes us know how to be a better manufacturer of perfect products.

Thank you for considering Qingdao Rainbow Packaging for your packaging needs.  
We look forward to working with you.
