ORIENTATION

Our History

CMS DISPLAY ELECTRON CO., LTD ;

Was founded in 1997. And experienced a rapid development in recent years, we produce PC Monitor begin from CRT , then LCD, until now LED/OLED and now we are specializing in doing OEM brand PC Monitor , Gaming monitor , All in one for customers from all round the world . Our products already marketed over 30 countries . Mainly from the European market , South America market and Southeast Asia market .

Our Factory

CMS is one of a leading and professional manufacturer and specialized in the Research & Development and Manufacturing of LED Monitor, Gaming Monitor, All in one, TOUCH monitor and CCTV Monitor products with OEM for exporting over 23 years.

We insists on "Customer first, Quality first" to service our clients. With a strict quality control and environment protection system, CMS products at a large quantity exporting year by year and already highly approved and impressed by clients from all-over the world.

All our products have CE, UKCA, EPR , FCC, ROHS, CCC quality certification. Our company has passed SGS , ISO9001, GB/T19001, ISO14001, and GB/T24001 certification.

Location: We Located in Panyu district, Guangzhou city, China and near Guangzhou South Railway Station, with a high-speed rail to Hong Kong, Macao, Shenzhen and all Major cities in China, including a subway to Baiyun International Airport directly. Meanwhile, we colsed to Guangzhou Nansha sea port, of which it take good advantage of its own faster clearance, and bigger enough to possess more direct vessels shipping to any main ports around the world.

We hope to cooperate with more customers for mutual development and benefits.
