# Palm Leaf Plates

**ELEGANT AND STURDY:** The natural woody texture & aroma add to their fine finishing at the same time making them much more elegant.

**CHEMICAL-FREE:** Made from a chemical-free production process with no chemical polish or wax finish on the plates. Hence, they are safe for human use.

**MICROWAVE SAFE:** These plates are microwave safe and can be used for serving hot/cold food, snacks, gravy, and ice cream. It serves as a great option for weddings, barbeques, camping, birthday parties, or simply for everyday use.

**LEAK-PROOF:** Don't worry about leaks or drips - our palm leaf plates are leak-proof.

**ECO-FRIENDLY:** Being biodegradable and compostable, when you're done using the plates, just toss them in the organics bin. You can even save them to use as compost for your garden!
