

A photograph of three white goats with horns in a field. The goat in the center is looking directly at the camera and is eating a small green plant. The goats on the left and right are slightly out of focus. The background is a soft, hazy landscape.

ABOUT
US

2. COMPANY PROFILE

Locates in Inner Mongolia China, where is the main producing areas of goats' cashmere fiber in the world, and established in 1999, Inner Mongolia RH Cashmere Products Co Ltd is a professional manufacturer and exporter, focus on brand development strategies, insist on scientific & technological innovation and sustainable development. We specialize in cashmere and cashmere blended products, products categories cover cashmere yarns, woven scarves & shawls, knitted cashmere sweaters, knitted scarves, knitted hat & gloves etc.

Craftsman's Spirit

We are proud of our Inner Mongolia craftsman's spirit in producing excellent cashmere products. The respect between our herdsman and nature is one that we weave into each cashmere products. From hands of our herdsman to our manufacturing facilities, we combine traditional heritage with modern manufacturing technology to create the cashmere fashion in sustainable way. We have been positioning to be a reliable and professional supplier of ODM & OEM production for serving oversea and domestic customers. Our philosophy in more than 20 years of existence is based on quality and innovative design in producing high quality & competitive cashmere yarn, cashmere knitwear, cashmere scarves & shawls.

Innovation

Our core business has expanded over the years into United States, Europe, Japan, Korea and other markets. To provide our customers with convenient and efficient business development opportunities, we reformed our previous business measure, and innovate stock service of cashmere & cashmere blended yarn. Besides that we are able to produce cashmere yarn in any customized color by top dyeing or yarn dyeing base on different order quantity.
