Shenzhen Joway Power Supply Co.,Ltd

# About us

## About us ⚡

Shenzhen JOWAY Power Supply Co., Ltd. was established in 2004, focusing on the research and development of power bank ,Bluetooth earphones, portable power station and lithium battery pack technology.It is a national High-tech enterprise which integrates product design, research & development, molding, production and sales of consumer electronics products. It is also a professional manufacturer of customized power supply. JOWAY has taken the lead in passing the ISO9001 quality management system, ISO14001 environmental management system, BSCI and has obtained multiple certifications at home and abroad, such as CCC, CE, FCC, ROHS, etc. JOWAY has always been committed to providing clients with safe and reliable power supply and energy storage products and solutions. It has introduced the MES intelligent manufacturing management system and uses a visual billboard management system to tracks the entire production process, collect and bind material information in real-time, trace product quality, timely supervise and manage anomalies, striving to be an "outstanding manufacturer in the global consumer electronics field".
