# 公司介绍 - Overview

## 公司简介 Brief Introduction

Jonetech Intelligent founded in 2020, focusing on creating innovative and high-performance audio products to customers worldwide.

Main products: TWS, Headphone, Speaker  
(TWS & Bone Conduction , Gaming Headphone, Speaker...)

## 规模 Scale

Area : 20,000+ square meters

R&D: 15 +

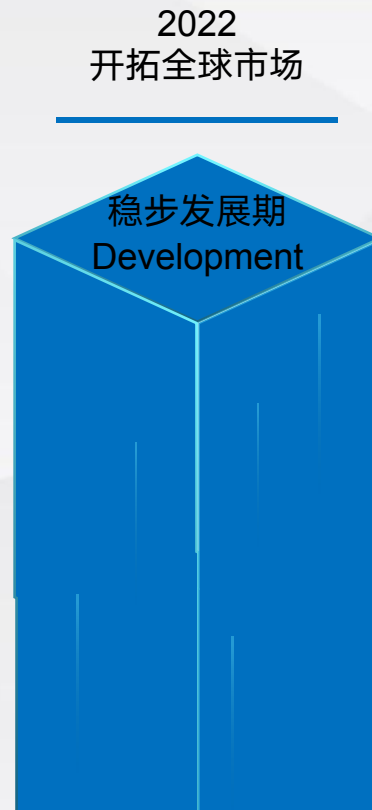

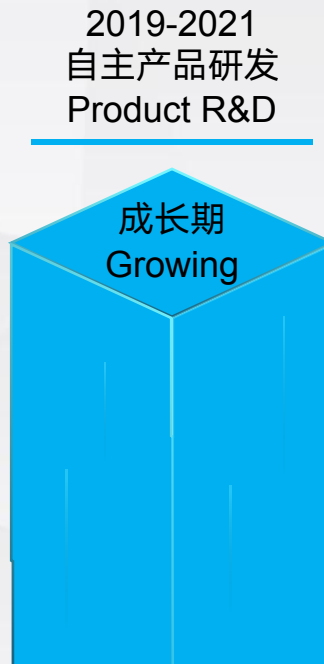

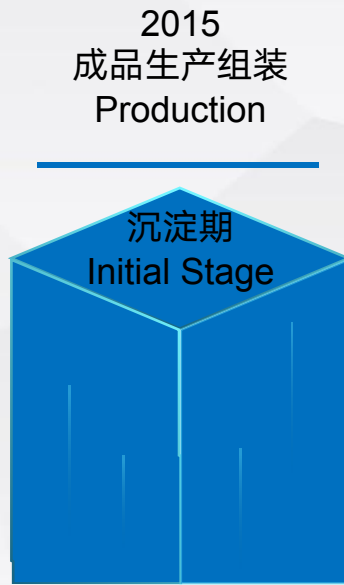

Production: 500+ workers, 12 assembly lines

Average daily capacity: 30,000+ PCS

## 认证体系 System

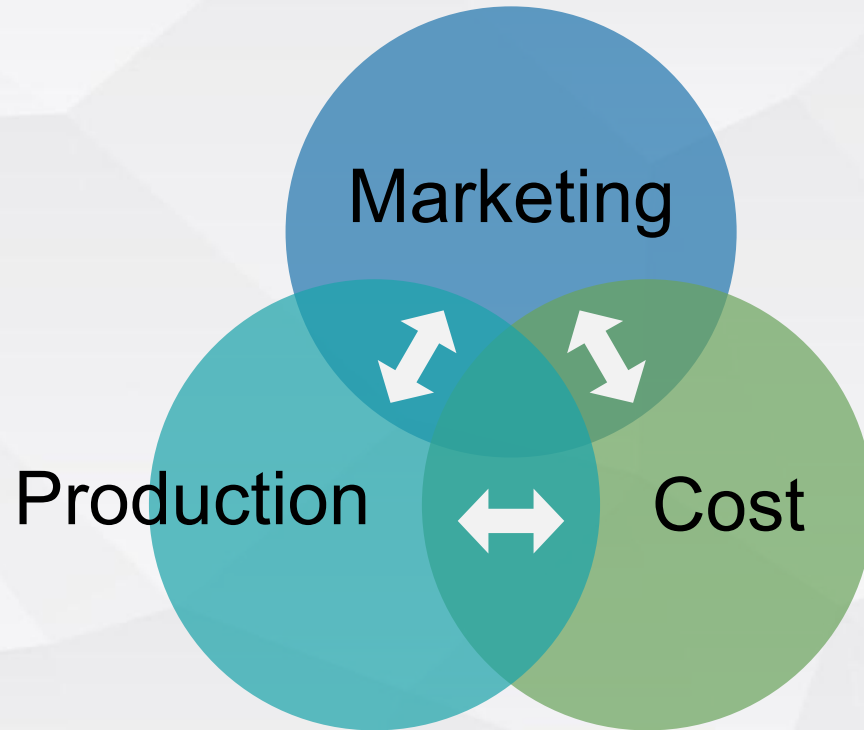

# 发展历程 - Development Course

# Marketing

# ▶ Factory advantage

# Production workshop - injection molding

# Production workshop - Product assembly

# Quality Assurance – Test Process

ANC curve testing  
降噪曲线测试

ANC curve testing  
曲线测试

Battery testing  
电池测试

Solder joint inspection  
焊点检测

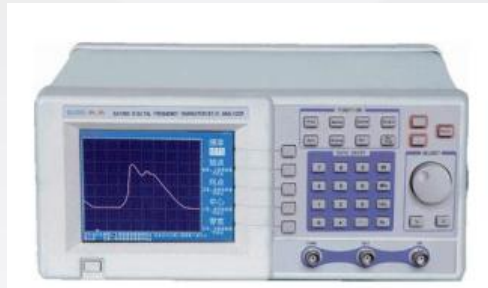

Speaker testing  
喇叭测试

Finished product inspection  
成品检测

# Quality Assurance – Reliability Testing Equipment

**认证体系 Quality Certification System**  
**产品认证 Product certification**

**BQB**  
Bluetooth®

## 项目介绍

# TWS

beans display TWS

TWS

TWS + ENC

Gaming TWS

# Main Product - ENC + Dongle

## Specification

Chipset: QCC 3040

phone call playtime: 6H/60% volum

Music playtime: 6-8H/50% volum

Battery: earphone-50mah; case-  
500mah

charge time: 1.5H

BT range: 10M

Speaker: 10mm

NTC/OVP/ESDCharging port: Type C

Control: Touch

# Main Product - ENC True Wireless Earphones

## Specification

Chipset: JL6973

Bluetooth Version: V5.3

Wireless Range: 10m

Driver: 13mm, 32Ω

Microphone: Dual

Battery: 35mAh / 300mAh

Play time on single charge: 5  
hours

Play time with charging case:  
20 hours

OVP: 20V

Charging port: Type C

Control: Touch

# Main Product - ENC True Wireless Earphones

## Specification

Chipset: JL7006

Bluetooth Version: V5.3

Wireless Range: 10m

Driver: 13mm, 32Ω

Microphone: Dual

Battery: 35mAh / 400mAh

Play time on single charge: 5  
hours

Play time with charging case:  
25 hours

OVP: 20V

Charging port: Type C

Control: Touch

# Main Product - ENC True Wireless Earphones

## Specification

Chipset: JL7006

Bluetooth Version: V5.3

Wireless Range: 10m

Driver: 13mm, 32Ω

Microphone: Dual

Battery: 35mAh / 400mAh

Play time on single charge: 5  
hours

Play time with charging case:  
25 hours

OVP: 20V

Charging port: Type C

Control: Touch

# Main Product - Bone Conduction Headphones

## Specification

Chipset: JL7006

Bluetooth Version: V5.3

Wireless Range: 10m

Drive Unit:  $\Phi 16.2 \times 3.8H$

Impedance:  $8\Omega$

Battery: 180mAh

Play time: 6 hours

Charging time: 1.5 hours

Charging port: Type C

Control: Button

TF Card: 32GB (Not Included)

# Main Product - Bone Conduction Headphones

## Specification

Chipset: JL7006

Bluetooth Version: V5.3

Wireless Range: 10m

Drive Unit:  $\Phi 16.2 \times 3.8\text{H}$

Impedance:  $8\Omega$

Battery: 150mAh

Play time: 5 hours

Charging time: 1.5 hours

Charging port: Micro USB

Control: Button

Waterproof: IPX5

# Main Product - Bone Conduction Headphones

## Specification

Chipset: ATS3015

Bluetooth Version: V5.3

Wireless Range: 10m

Drive Unit:  $\Phi 16.2 \times 3.8H$

Impedance:  $8\Omega$

Battery: 160mAh

Play time: 5 hours

Charging time: 1.5 hours

Charging port: Micro USB

Control: Button

Waterproof: IPX6

# Main Product - Bone Conduction Headphones

## Specification

Chipset: ATS3015

Bluetooth Version: V5.3

Wireless Range: 10m

Drive Unit:  $\Phi 16.2 \times 3.8\text{H}$

Impedance:  $8\Omega$

Battery: 240mAh

Play time: 8 hours

Charging time: 1.5 hours

Charging port: Micro USB or

Type C

Control: Button

Waterproof: IPX6
