1.Core Business

Founded in 2000, Victory Link Arts & Jewelry Co., Ltd. is a factory-based manufacturer specializing in metal award products, with over 20 years of industry expertise.

OEM 1 — Time-honored 2 — Worldwide 3 — Sustainable development 4

The company produces a wide range of metal crafts, including badges, lapel pins, keychains, magnetic fridge decorations, bottle openers, and commemorative coins. Its production capabilities cover the entire manufacturing process—from raw material processing to finished products—encompassing die strucking, die casting, polishing, plating, color filling, printing, and packaging.

• Certifications & Compliance

- Materials and products are fully compliant with regional safety standards, including U.S. regulations such as Prop 65, CPSIA, and Disney's material safety requirements, as well as EU laws (e.g., EN71, REACH Annex XVII restrictions).

- All incoming raw materials and finished products undergo pretesting in our in-house laboratory. Third-party testing services can be arranged.

01 **ISO 9001** (Quality Management)

02 **ISO 14001** (Environmental Management)

03 **Disney FAMA Certification** (ensuring compliance with Disney's supply chain requirements)

04 **Sedex Membership & Annual Audit** (demonstrating ethical sourcing and labor practices)

2.Production Advantages

- **Advanced Manufacturing Facilities**: Equipped with an intelligent automated plating line and robotic machinery for die casting, polishing, and color filling, ensuring high precision and efficiency.

- **Mass Production Capacity**: Produces millions of units monthly, enabling rapid turnaround and scalability for global clients.

3.Key Clients & Partnerships

Victory Link has established long-term collaborations with leading global brands, including:

- **Licensed Partners: M&M’s, Disney, Universal Studios, PopSockets**
- **Major Events: Olympic Games and international sports campaigns**

4.Developmental Ideal

- **Commitment to Innovation & Sustainability**

Driven by a vision of clean production and sustainable development, Victory Link integrates eco-friendly processes while maintaining premium quality. The company continuously enhances its R&D capabilities to deliver customized solutions for diverse market demands.

- **Global Reach & Service Excellence**

With a strong reputation in the industry, Victory Link serves clients worldwide, combining cost efficiency, fast delivery, and strict quality control to exceed expectations.
